## **The Anatomists Wife:**

**The Anatomist's Wife** Anna Lee Huber, 2012-11-06 THE FIRST LADY DARBY MYSTERY A riveting debut an original premise an enigmatic heroine and a compelling Highland setting a book you won't want to put down New York Times bestselling author Deanna Raybourn Scotland 1830 Following the death of her husband Lady Darby has taken refuge at her sister's estate finding solace in her passion for painting But when her hosts throw a house party for the cream of London society Kiera is unable to hide from the ire of those who believe her to be as unnatural as her husband an anatomist who used her artistic talents to suit his own macabre purposes Kiera wants to put her past aside but when one of the house guests is murdered her brother in law asks her to utilize her knowledge of human anatomy to aid the insufferable Sebastian Gage a fellow guest with some experience as an inquiry agent While Gage is clearly more competent than she first assumed Kiera isn't about to let her guard down as accusations and rumors swirl When Kiera and Gage's search leads them to even more gruesome discoveries a series of disturbing notes urges Lady Darby to give up the inquiry But Kiera is determined to both protect her family and prove her innocence even as she risks becoming the next victim

**The Anatomist's Wife** Anna Lee Huber, 2012 Immersing herself in her painting after the death of her anatomist husband Lady Kiera Darby is ostracized by London society until her brother in law asks her to use her skills to help a local inquiry agent solve a murder Mortal Arts

Anna Lee Huber, 2013-09-03 From the national bestselling author of *The Anatomist's Wife* comes the second historical mystery featuring enigmatic sleuth Lady Kiera Darby Scotland 1830 Lady Kiera Darby is no stranger to intrigue in fact it seems to follow wherever she goes After her foray into murder investigation Kiera must journey to Edinburgh with her family so that her pregnant sister can be close to proper medical care But the city is full of many things Kiera isn't quite ready to face the society ladies keen on judging her her fellow investigator and romantic entanglement Sebastian Gage and ultimately another deadly mystery Kiera's old friend Michael Dalmay is about to be married but the arrival of his older brother and Kiera's childhood art tutor William has thrown everything into chaos For ten years Will has been missing committed to an insane asylum by his own father Kiera is sympathetic to her mentor's plight especially when rumors swirl about a local girl gone missing Now Kiera must once again employ her knowledge of the macabre and join forces with Gage in order to prove the innocence of a beloved family friend and save the marriage of another

**The Anatomists' Library** Colin Salter, 2023-08-15 Series statement from publisher's website *The Anatomy Murders* Lisa Rosner, 2011-07-07 Up the close and down the stair Up and down with Burke and Hare Burke's the butcher Hare's the thief Knox the man who buys the beef anonymous children's song On Halloween night 1828 in the West Port district of Edinburgh Scotland a woman sometimes known as Madgy Docherty was last seen in the company of William Burke and William Hare Days later police discovered her remains in the surgery of the prominent anatomist Dr Robert Knox Docherty was the final victim of the most atrocious murder spree of the century outflanking even Jack the Ripper's Together with their accomplices Burke and Hare would be

accused of killing sixteen people over the course of twelve months in order to sell the corpses as subjects for dissection The ensuing criminal investigation into the Anatomy Murders raised troubling questions about the common practices by which medical men obtained cadavers the lives of the poor in Edinburgh s back alleys and the ability of the police to protect the public from cold blooded murder Famous among true crime aficionados Burke and Hare were the first serial killers to capture media attention yet The Anatomy Murders is the first book to situate their story against the social and cultural forces that were bringing early nineteenth century Britain into modernity In Lisa Rosner s deft treatment each of the murder victims from the beautiful doomed Mary Paterson to the unfortunate Daft Jamie opens a window on a different aspect of this world in transition Tapping into a wealth of unpublished materials Rosner meticulously portrays the aspirations of doctors and anatomists the makeshift existence of the so called dangerous classes the rudimentary police apparatus and the half fiction half journalism of the popular press The Anatomy Murders resurrects a tale of murder and medicine in a city whose grand Georgian squares and crescents stood beside a maze of slums a place in which a dead body was far more valuable than a living laborer

**A Study in Death** Anna Lee Huber,2015-07-07 From the national bestselling author of A Brush with Shadows comes a riveting historical mystery featuring a most unusual and romantic female sleuth Lady Kiera Darby Scotland 1831 Lady Kiera Darby is thrilled to have found both an investigative partner and a fianc in Sebastian Gage But with her well meaning sister planning on making their wedding the event of the season Kiera could use a respite from the impending madness After she s commissioned to paint the portrait of Lady Drummond Kiera is shocked to find her client prostrate on the floor Both a physician and Lord Drummond appear satisfied to rule her death natural but Kiera is convinced that poison is the real culprit Now armed only with her knowledge of the macabre and her convictions Kiera intends to discover the truth no matter what or who stands in her way Judith Rock

**On The Anatomization of an Unknown Man (1637) by Frans Mier** John Connolly,2010-12-21 From the New York Times bestselling author of The Whisperers Connolly s dark lyrical prose will leave unshakable images lurking on the edge of the reader s consciousness Booklist All John Connolly fans know to expect the unexpected He is a master of the supernatural the dark twist the creak of a door in the dark of all creatures sinister Connolly s novels have been bestsellers world wide Now step into his imagination for a moment or two and experience this wonderfully nightmarish short story

*As Death Draws Near* Anna Lee Huber,2016-07-05 In this historical mystery from the national bestselling author of A Brush with Shadows Lady Kiera Darby and Sebastian Gage get tangled in a dangerous web of religious and political intrigue July 1831 In the midst of their idyllic honeymoon in England s Lake District Kiera and Gage s seclusion is soon interrupted by a missive from her new father in law A deadly incident involving a distant relative of the Duke of Wellington has taken place at an abbey south of Dublin Ireland and he insists that Kiera and Gage look into the matter Intent on discovering what kind of monster could murder a woman of the cloth the couple travel to Rathfarnham Abbey school Soon a second nun is slain in broad daylight near a classroom full of young girls With the sinful

killer growing bolder the mother superior would like to send the students home but the growing civil unrest in Ireland would make the journey treacherous Before long Kiera starts to suspect that some of the girls may be hiding a sinister secret With the killer poised to strike yet again Kiera and Gage must make haste and unmask the fiend before their matrimonial bliss comes to an untimely end

**The Origin and Growth of the Healing Art** Edward Berdoe,1893      **The cloister and the health; or, Maid, wife, and widow** Charles Reade,1861      Ancestral Passions Virginia Morell,2011-01-11 This biography of the First Family of anthropology reveals how their discoveries collaborations and rivalries contributed to our own knowledge of the origins of humankind In this fascinating and authoritative work acclaimed science writer Virginia Morell brings to vivid life the famous and infamous Leakey family pioneers in the field of paleoanthropology Louis Leakey the patriarch who persisted through initial scientific failures and scandal ridden divorce to achieve spectacular success in digs throughout East Africa Mary his second wife who worked alongside Louis as they made their outstanding discoveries at Olduvai Gorge and elsewhere and Richard their son who ascended to the top of the field in his parents wake only to be threatened with both near fatal illness and fierce professional rivalry Morell transports us into the world of these compelling personalities demonstrating how a small clan of highly talented and fiercely competitive people came to dominate an entire field of science and to contribute immeasurably to our understanding of the origins of humanity      Animals' Defender and Zoophilist ,1892      *The Animal's Defender and Zoophilist* ,1893      **Anatomists of Empire** Ross L Jones,2020-04-17 The 20th century anatomists Grafton Elliot Smith Frederic Wood Jones and Arthur Keith travelled the globe collecting cataloguing and constructing morphologies of the biological world with the aim of weaving these into a new vision of bio ecology that links humans to their deep past as well as their evolutionary niche They dissected human bodies and scrutinised the living explaining for the first time the intricacies of human biology They placed the body in its environment and gave it a history thus creating an ecological synthesis in striking contrast to the model of humanity that they inherited as students Their version of human development and history profoundly influenced public opinion as they wrote prolifically for the press they published bestsellers on human origins and evolution they spoke eloquently at public meetings and on the radio They wanted their anatomical insight to shape public policy And by changing popular views of race and environment they moulded attitudes as to what it meant to be human in a post Darwinian world thus providing a potent critique of racism      The Study of Anatomy, Historically and Legally Considered Edward Mussey Hartwell,1881      **The Anatomy of Suicide** Lyttelton Stewart Forbes Winslow,2020-09-28 Human actions are more under the influence of example than precept consequently suicide has often been justified by an appeal to the laws and customs of past ages An undue reverence for the authority of antiquity induces us to rely more upon what has been said or done in former times than upon the dictates of our own feelings and judgement Many have formed the most extravagant notions of honour liberty and courage and under the impression that they were imitating the noble example of some ancient hero have sacrificed their lives They urge in their defence that suicide

has been enjoined by positive laws and allowed by ancient custom that the greatest and bravest nation in the world practised it and that the most wise and virtuous sect of philosophers taught that it was an evidence of courage magnanimity and virtue There is no mode of reasoning so fallacious as that which is constantly appealing to examples A man who has made up his mind to the adoption of a particular course can easily discover reasons to justify himself in carrying out his preconceived opinions If a contemplated action abstractedly considered be good cases may be of service in illustrating it There must be some test by which to form a correct estimate of the justness or lawfulness of human actions and until we are agreed as to what ought to constitute that standard examples are perfectly useless No inferences deduced from the consideration of the suicides of antiquity can be logically applied to modern instances We live under a Christian dispensation Our notions of death of honour and of courage are in many respects so dissimilar from those which the ancients entertained that the subject of suicide is placed entirely on a different basis In the early periods of history self destruction was considered as an evidence of courage death was preferred to dishonour These principles were inculcated by celebrated philosophers who exercised a great influence over the minds of the people and in many instances the act of self immolation constituted a part of their religion Is it then to be wondered at that so many men eminent for their genius and renowned for their valour should under such circumstances have sacrificed themselves     **The Cosmopolitan** ,1886     *Woman in the Encyclopédie* Terry Smiley Dock,1983     Journal of Zoophily ,1892     *The Spectator* ,1893

Thank you for downloading **The Anatomists Wife**. As you may know, people have look numerous times for their favorite readings like this The Anatomists Wife, but end up in malicious downloads.
