*Pharaohs on Both Sides of the Blood-Red Waters* Allan Aubrey Boesak, 2017-07-12 After the civil rights and anti apartheid struggles are we truly living in post racial post apartheid societies where the word struggle is now out of place Do we now truly realize that as President Obama said the situation for the Palestinian people is intolerable This book argues that this is not so and asks What has Soweto to do with Ferguson New York with Cape Town Baltimore with Ramallah With South Africa the United States and Palestine as the most immediate points of reference it seeks to explore the global wave of renewed struggles and nonviolent revolutions led largely by young people and the challenges these pose to prophetic theology and the church It invites the reader to engage in a trans Atlantic conversation on freedom justice peace and dignity These struggles for justice reflect the proposal the book discusses there are pharaohs on both sides of the blood red waters Central to this conversation are the issues of faith and struggles for justice the call for reconciliation its possibilities and risks the challenges of and from youth leadership prophetic resistance and the resilient audacious hope without which no struggle has a future The book argues that these revolutions will only succeed if they are claimed embraced and driven by the people

*The Life of Madie Hall Xuma* Wanda A. Hendricks, 2022-10-25 Revered in South Africa as An African American Mother of the Nation Madie Beatrice Hall Xuma spent

her extraordinary life immersed in global women's activism Wanda A Hendricks's biography follows Hall Xuma from her upbringing in the Jim Crow South to her leadership role in the African National Congress ANC and beyond Hall Xuma was already known for her social welfare work when she married South African physician and ANC activist Alfred Bitini Xuma Becoming president of the ANC Women's League put Hall Xuma at the forefront of fighting racial discrimination as South Africa moved toward apartheid Hendricks provides the long overlooked context for the events that undergirded Hall Xuma's life and work As she shows a confluence of history ideas and organizations both shaped Hall Xuma and centered her in the histories of Black women and women's activism and of South Africa and the United States Blood Safari Deon

Meyer,2018-09-01 Deon Meyer's novels explore the complex reality of South Africa they are exciting stories of crime conflict and revenge The Miami Herald Blood Safari is a harrowing novel from internationally acclaimed thriller writer Deon Meyer an expert storyteller whose wickedly fast narratives reveal the heart of his enthralling country In Blood Safari Emma le Roux a beautiful young woman in Cape Town sees her brother named on the television news as the prime suspect in the killing of four poachers and a witch doctor But it can't be possible Emma's brother is supposed to be dead having disappeared twenty years ago in Kruger National Park Emma tries to find out more but is attacked and barely escapes So she hires Lemmer a personal security expert and sets out into the country in search of the truth A complicated man with a dishonorable past Lemmer just wants to do his job and avoid getting personally involved But as he and Emma search for answers from the rural police they encounter racial and political tensions greed corruption and violence unlike anything they have ever known With Deon Myer you can't go wrong He's a writer whose work I admire wait for and then devour Michael Connelly Sticking Around Bernard Spong,2006 **In Black and White** Anant Singh,2021-11-01 It all began with Charlie Chaplin flickering in

black and white on a makeshift screen in their modest home in Springfield which later led to the neighbourhood children happily handing over their coins to 10 year old Anant Singh and his younger brother Sanjeev At age 13 deeply affected by the passing of his father Anant found solace and escape in the moving image to which his father had introduced him The combination of a deep and abiding passion for film and an entrepreneurial spirit were the sparks that lit the flame for Anant as he rewound 16mm reels in a film rental store in Durban first for R1 a day and then for R25 a week In South Africa in the 1970s there were not many career options for a Black person who dreamed big in any business let alone the film industry But before his twentieth birthday Anant was the owner of that store and in a business in which no person of colour had ventured Restrictive legislation was not the only problem all public facilities including cinemas were segregated and any voice raised in opposition to the state was swiftly silenced while censorship across all forms of media including films was strictly enforced By hiring out films classified for whites only to all races and uncensored movies to anyone who wanted to watch them Anant was arrested for breaking the laws he refused to recognise as legitimate He moved on to wider distribution first to cinemas across Africa and then to the international market to setting up Videovision Enterprises and capturing the home video market

and finally to putting his heart and soul into producing award winning and important films This extraordinary memoir is a story of professional relationships and of friendships with mentors including Ahmed Kathrada Fatima and Ismail Meer and Nelson Mandela as well as with superstars such as Quincy Jones Sidney Poitier Whoopi Goldberg Amitabh Bachchan Denzel Washington and Idris Elba And it is a testament to determination courage and perseverance to speak up and speak out through the powerful medium of film

**The Return** ,1988      Political Tribalism Allen Buchanan,2025-05-06 Combining hard data with the author s personal story of a life in the U S South and then as a university professor this book sheds a new light on tribalistic ideologies Such ideologies are a deeply troubling feature of civic life in America and in many Western democracies as they erode trust among citizens sow divisions and pervert a larger pursuit of truth and understanding Philosopher Allen Buchanan weaves together his own autobiography with the latest research in psychology politics anthropology and philosophy to better understand the nature and causes of ideological tribalism its pernicious effects on the individual and society and the best possible solutions for curbing its spread The story begins with Buchanan as a middle class White boy in 1950s Arkansas absorbing and espousing the racist ideas of his parents church and community This beginning intentionally inculcates the author in subsequent criticisms of tribalism and because Buchanan left this world and came to reject its values makes convincing his arguments at the book s conclusion on how to escape tribalism s tight grasp Before offering such final prescriptions Buchanan examines the evolutionary origins of tribalistic thinking and shows how unyielding group ideologies short circuit truth seeking attack the meaning and purpose of a liberal education undermine a shared national identity and thanks to social media prop up a shallow and false self identity With a sharp eye toward tribalistic ideologies on the Right and the Left Political Tribalism How it Hijacks Our Minds and Diminishes Our Humanity is a compelling call for a healthier and deeper intellectual life of a democracy s polity and for its individual citizens
