The Girl Next Door Mia Stanbury is the quintessential girl next door Smart beautiful and determined She's got it all going on Is it any wonder that she's been on my radar for as long as I can remember We're talking middle school folks Fine I'll admit that I've made a few boneheaded mistakes as far as she's concerned but what can I say I'm a dude Sometimes I think with the wrong head We'll just chalk it up to one of the hazards of having a Y chromosome and leave it at that But I'm older now More mature Sort of

Mia has spent all of high school and college keeping me at a distance If she didn't melt in my arms every time I put my hands on her I'd almost think she was immune to my charms Turns out that's not the case This is our last year at Wesley before we go our separate ways Me to the NFL her to law school It's now or never I'm done playing games and allowing her to push me away

The Boy Next Door I've spent more years than I care to admit crushing hard on Colton Montgomery The blond blue eyed hottie leaves a trail of broken hearts in his wake wherever he goes Mine being one of them Just when I'd decided to cut my losses and move on he appeared out of nowhere and swept me off my feet It had all seemed like a fairytale until he dumped me Through text message Ouch Eighteen months and one study abroad program later I've returned to Wesley University to finish out my senior year And Colton He's nothing more than a regrettable mistake I'd prefer to forget Or so I tell myself It only takes one run in to realize that my feelings for him aren't as dead and buried as I'd thought Nope they're still there simmering dangerously beneath the surface He wants a second chance to make things right That's not going to happen But Colton has other ideas And part of me is afraid that if he actually puts his mind to it he'll end up changing mine
