summers at his post in the little consulate that overlooked the lonely waters of the Black Sea he applied for sick leave Having obtained it he hurried home to scatter guineas in Harley Street for he felt all the uneasy doubts as to his future which a strong man who has never in his life known what it is to have a headache is apt to experience at the first symptom that all is not well Outwardly he pretended to make light of the matter Drains that s what it is he would say to some of the passengers to whom he confided the altered state of his health on board the boat which carried him to Constantinople As soon as I get back to a civilized sewage system I shall be myself again These Eastern towns are all right for Orientals and what is your Muscovite but an Oriental in all essentials of hygiene But they play the deuce with a European who has grown up in a country where people still indulge in a sense of smell And if anyone ventured to sympathize with him or to express regret at his illness he would snub him fiercely But for all that he felt convinced in his own mind that he had been attacked by some fatal disease He became melancholy and depressed and if he did not spend his days in drawing up his last will and testament it was because such a proceeding in view of the state of his banking account would have partaken of the nature of a farce Having a sense of humour he was little disposed just then to any action whose comic side he could not conveniently ignore
