comparable to the British Sherlock Holmes and the French Inspector Maigret the Polish Mr Wheels the bumbling art
detective with his iconic self built car has been solving art mysteries for sixty years The humorous tales with a delightful
procession of quirky characters concern theft and fraud in the art world and the villains are usually gentlemen and
gentlewomen thieves And usually there is a great historical tale in the background In this the third book in the series we turn
to the first adventure of the Intrepid Art Detective In 1961 fifteen years after the end of World War II the wounds of war are
still fresh including those inflicted by a gang of marauders commanded by a bandit nicknamed Barabas Following the fall of
the Third Reich and taking advantage of the period of instability that existed for months afterwards Barabas and his villains
terrorized the countryside from a base of operations on an island on the Vistula 70 miles north of Warsaw They were
eventually captured and imprisoned and this put an end to their robberies but even from their prison cells the gangsters
tentacles still reach back to their old base to guard the treasure they had buried somewhere in the area And now several
mysterious agents compete to unearth the treasure and solve the mysteries of the Island of Bandits and we are introduced to
several characters who will become a permanent fixture in the series Take a cruise on the shallows of the Vistula with a
