Velvet Elvis

by
Rob Bell

WELCOME TO MY VELVET ELVIS

1. Rob Bell writes, “The Christian faith is alive only when it is listening, morphing, innovating, letting go of whatever has gotten in the way of Jesus and embracing whatever will help us be more and more the people God wants us to be” (p. ix). Why is this process so important? In what ways have you managed to morph and innovate in your faith? In what ways might your faith be frozen? What does it mean to you for your faith to be continually “reforming”?
2. Yet even as we are searching for fresh perspectives on faith, Bell also writes, “If it is true, then it isn’t new. I’m learning that what seems brand new is often the discovery of something that’s been there all along” (p. xiii).

owners tend to take a lax view of personnel issues They hire the first person who walks through the door or interview using a canned sheet of questions snagged from the Internet Teambuilding consists of showing the new employee where to sit and who to go to for answers And retention What s that The Entrepreneur s Guide to Hiring and Building the Team begins by helping entrepreneurs understand why staffing is so important Then it guides them through the entire process of recruiting to attract top notch talent to the budding organization But that s only the start Tanner maintains It s critical to get these talented people to work together to drive the business and it s equally critical to keep each employee challenged motivated and satisfied the keys to retention *Straight to the Heart of Luke* Phil Moore,2017-04-21 Luke is excited As the only non Jewish writer in the New Testament he can hardly believe that God became a human not just for Jewish boys like Peter and Paul but for Gentiles just like him His excitement about the Gospel is contagious as he tells us wide eyed All of this happened for you too Want to explore Luke but feel like you don t have the time *Straight to the Heart of Luke* is a concise and bite size approach to Bible study giving you nuggets of information that you can think about throughout the day Bible study for busy people Luke was so unlike the other New Testament writers that many of his contemporaries believed he wasn t qualified to write Scripture at all But to understand the message of his gospel we need to grasp who he was Luke was the only New Testament writer who was not a Jew The apostle Paul defends him by stating explicitly that his gospel was as much Holy Scripture as the Old Testament Luke was an outsider to the Jewish faith that God inspired to compile an account of the life of Jesus in order to show people all around the world that what Jesus said and did him said and did for us all The astonishing message of Luke s gospel is that what happened to Jesus happened for you Phil Moore helps us to understand and see God s wisdom in choosing Luke as a writer He shows that Luke assures us that this isn t someone else s story he came for you We can say yes to Jesus discovering that he can use you And that all this is possible because he made a way for you

Understanding Prayer for the Dead James B Gould,2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell *Understanding Prayer for the Dead* defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically
