take note of its ideological trajectory The book analyses this trajectory shared by Nazism and Stalinism the two instances of totalitarianism in its classical form The ideological trajectory was formed in the interaction of three currents of modernist thought utopianism scientism and revolutionary violence Developing first of all in the nineteenth century and in reaction to the Enlightenment mainstream each of these three currents contributed to the idea of the totalitarian New Man The book considers a broad range of theoretical positions including those associated with Cold War liberalism critical theory and recent anti totalitarian thought in France in order to develop these arguments Genes, Giants, Monsters, and Men Joseph P. Farrell, 2011-05-03 Consider the possibility that the history of the human race is not as simple as what has been taught in classroom textbooks Consider the possibility that the evolutionary scientific explanation for mankind has ignored critical facts that are buried deep within the fossils and mankind's DNA Consider the possibility that the religious stories that have often been the core basis for mankind's understanding of where it belongs in the history of creation may actually reveal a planet occupied with tyrannical giants and an elite highly intelligent race bent on genetic mutation As horrifying as such possibilities are Genes Giants Monsters and Men sets forth a plausible theory revealing a hidden history of mankind and a possible reason that it has remained veiled for hundreds of thousands of years With his well documented style and breathtaking conclusions Dr Joseph P Farrell pulls back the veil and takes the reader on an odyssey behind the mysterious history and myths of the human race Joseph P Farrell is a recognized scholar whose credentials include a PhD in philosophy from the University of Oxford His literary contribution is a veritable resumé unto itself covering such fields as Nazi Germany sacred literature physics finances the Giza pyramids and music theory A renowned researcher with an eye to assimilate a tremendous amount of background material Farrell is able to condense the best scholastic research in publication and draw insightful new conclusions on complex and controversial subjects **The Investments** Clair T. Berube, 2020-05-01 This book examines American societal structures and institutions beginning and ending with public education and exposes how dysfunction and the investment in this dysfunction is an actual political agenda The Investments focuses on the capitalization privatization and dismantling of public education and how other social systems such as for profit prisons healthcare or the lack thereof racism and current immigration issues the investment in criminalizing people called the other and the military industrial complex are all co dependent and symbiotic At the Nexus of it all is American public education An educated population threatens the status quo so the pipeline between public education and other social institutions is real Each has a toxic connection and reliance to each other Each chapter will delve into the rigging that takes place to purposefully attempt to cripple public education and consciously create a permanent underclass usually without the knowledge of the general public and the egos identities and sinister political forces behind such manipulation Education is the hub of this book because public education is the best vehicle for democracy America has ever known and therefore unbeknownst to many Americans in the crosshairs There is a vast conspiracy for power and control going on in our country and many Americans are ignorant of
