Introduction to MicroStrategy 10 MicroStrategy Product Manuals,2015-06-04 *Words and Witnesses* Naaman K. Wood,2022-05-03 How should Christians address specific problems controversies and crises in communication today By looking at influential Christian thinkers throughout history we can identify wisdom that enriches us today in practical ways

Words and Witnesses explores various influential Christian thinkers and theologians from across church history in order to expand our contemporary conversations in communication studies and media theory. Individual chapters written by contributing scholars focus on major Christian thinkers starting with Athanasius, St. Augustine, and John Chrysostom, moving through the Middle Ages to address figures such as Anselm, Nicholas of Cusa, Teresa of Lisieux, and arriving in the present with reflections on the work of John Howard Yoder, C. S. Lewis, Martin Luther King Jr., Abraham Kuyper, and Desmond Tutu among others. Each chapter delves into how the contemporary church and scholars of media can turn to these influential Christian thinkers as resources for addressing specific problems in communication today. By analyzing church practices, doctrine, and biblical texts, this book provides the church with resources and inspiration to communicate in distinctly Christian ways.
