Locklin, 2017-08 Teaching Civic Engagement offers a new conceptual model an examination of theoretical questions and concerns and a variety of concrete teaching strategies to assist faculty in engaging questions of civic belonging and social activism in religion classrooms The book explores the civic relevance of the academic study of religion *Prentice Hall Civics* James Edwin Davis, Prentice-Hall, Inc, Pearson Education, Inc, 2001 **Prentice Hall Civics** James Edwin Davis, Prentice-Hall, Inc, Pearson Education, Inc, 2001 *Prentice Hall Civics* James Edwin Davis, Prentice-Hall, Inc, Pearson Education, Inc, 2001 El-Hi Textbooks & Serials in Print, 2005, 2005 *Taking Religion Seriously Across the Curriculum* Warren A. Nord, Charles C. Haynes, 1998 The authors chart a middle course in our war over religion and public education one that builds on a developing national consensus among educational and religious leaders While it is not proper for schools to practice religion or proselytize neither is it permissible to make them religion free zones Schools do not take religion seriously as the authors review of textbooks and the new national content standards makes clear In Part One they outline the civic constitutional and educational frameworks that should shape the treatment of religion in the curriculum and classroom In Part Two they explore major issues relating to religion in different domains of the curriculum in elementary education and in middle and high school courses in history civics economics literature and the sciences They also discuss Bible courses and world religions courses and explore the relationship of religion to moral education and sex education Making Civics Count David E. Campbell, Meira Levinson, Frederick M. Hess, 2012-10-01 By nearly every measure Americans are less engaged in their communities and political activity than generations past So write the editors of this volume who survey the current practices and history of citizenship education in the United States They argue that the current period of creative destruction when schools are closing and opening in response to reform mandates is an ideal time to take an in depth look at how successful strategies and programs promote civic education and good citizenship Making Civics Count offers research based insights into what diverse students and teachers know and do as civic actors and proposes a blueprint for civic education for a new generation that is both practical and visionary *Official Adoption List for ...*, 2002 Home Education Masterclass: Teaching Civics and Government Nicole Young, In today's rapidly changing world it's more crucial than ever to equip our children with a strong understanding of civics and government This book Home Education Masterclass Teaching Civics and Government provides homeschooling parents with a comprehensive guide to effectively integrating this vital subject into their curriculum This isn't simply a collection of facts and figures rather it is a practical hands on resource
