Making Merit, Making Art Sandra Cate,2002-10-31 Sandra Cate s pioneering ethnography of art making at Wat Buddhapadipa a Thai Buddhist temple in Wimbledon England explores contemporary art at the crossroads of identity authority and value Between 1984 and 1992 twenty six young Thai artists painted a series of temple murals that continue to attract worshippers and tourists from around the world Their work both celebrated and controversial depicts stories from the Buddha s lives in otherworldly landscapes

punctuated with sly references to this worldly politics and popular culture Schooled in international art trends the artists reverse an Orientalist narrative of the Asian Other telling their own stories to diverse audiences and subsuming Western spaces into a Buddhist worldview In her investigation of temple murals as social portraiture Cate looks at the ongoing dialectic between the real and the imaginary as mural painters depict visual and moral hierarchies of sentient beings As they manipulate indigenous notions of sacred space and the creative process the Wat Buddhapadipa muralists generate complex expansive visions of social place and identity *Vietnam, Cambodia, Laos & the Greater Mekong* , **The Long Journey** Maria Pia Di Bella,Brian Yothers,2020-11-01 Travel writing has for centuries composed an essential historical record and wide ranging literary form reflecting the rich diversity of travel as a social and cultural practice metaphorical process and driver of globalization This interdisciplinary volume brings together anthropologists literary scholars social historians and other scholars to illuminate travel writing in all its forms With studies ranging from colonial adventurism to the legacies of the Holocaust The Long Journey offers a unique dual focus on experience and genre as it applies to three key realms memory and trauma confrontations with the Other and the cultivation of cultural perspective **Thailand** Joe Cummings,1997 Part of the Travel Survival Kits series this guide covers history language culture accommodation sights and cuisine **Europe on a Shoestring** Janet Austin,2001 From Albania to Yugoslavia this comprehensive reference gives the lowdown on accommodations in 40 countries Includes a first time traveler s chapter with advice on everything from packing to staying on a budget of color photos 178 maps Lonely Planet Thailand David Eimer,2018 **North Dakota** Melissa McDaniel,Sara Louise Kras,2010 Celebrate the richness and diversity of the United States of America in this exciting series Exploring the Use and Impact of Travel Guidebooks Victoria Peel,Anders Sørensen,2016-02-04 This volume provides the first comprehensive examination of travel guidebooks and their conceptualisation use and impact Guidebooks have been key tourism paraphernalia for almost two centuries and although researched in some areas academic knowledge on guidebooks in tourism has not been expansively communicated The uncritical unreflective and largely pejorative approach to guidebooks in the public sphere and to some degree also present in academia is reassessed in this book This challenges the current limited tourism research approaches to the topic including the routinely held assumption that the internet has all but destroyed the printed guidebook This book will be a useful resource for postgraduate students and researchers in tourism and tourism communications and consumption
