Insidious Foes Francis MacDonnell,1995-11-02 Nazi Germany s efforts to weaken the United States by subversion failed miserably Bungling spies were captured and half hearted efforts at sabotage came to nothing Yet anyone who lived through WWII remembers the chilling posters warning Americans that Enemy Agents Have Big Ears and Loose Lips Sink Ships Even Superman joined the struggle against these insidious foes In 1940 polls showed that 71% of Americans believed a Nazi Fifth Column had penetrated the country Almost half were convinced that spies saboteurs dupes and rumor mongers lurked in their own neighborhoods and work places These fears extended to the White House and Congress In this book Francis

MacDonnell explains the origins and consequences of America's Fifth Column panic arguing that conviction and expedience encouraged President Roosevelt the FBI Congressmen Churchill's government and Hollywood to legitimate and exacerbate American's fears Gravely weakening the isolationists fostering Congress's role in rooting out Un American activities and instigating the creation of the modern intelligence establishment the Fifth Column scare did far more than sell movie tickets comic books and pulp fiction *Insidious Foes* traces the panic from its origins in the minds of reasonable Americans who saw the vulnerability of their open society in an age of encroaching totalitarianism

The First Emperor Erica Tongson, 2013-02-26 Over two thousand years ago in ancient China a warlord had just unified the country with the help of two brothers Hsufu and Hsufei establishing the Qin Dynasty and calling himself Qinshihuang the First Emperor Seeing Qinshihuang's vanity and brutality Hsufu used a deceit to make his way to the east founding Japan and becoming the first emperor there Hsufei continued to serve the country with loyalty as an inspirational warrior as well as a minder of Qinshihuang Ultimately before his demise which he knew was inevitable the First Emperor took Hsufei's advice to preserve himself and his warriors in mausoleums wishing that some day his empire would be revived Hsufei among thousands of his fellow men stayed buried deep underneath the soil until 1978 when stone statues were discovered by archaeologists In the form of a stone figurine Hsufei was somehow removed to the residence of Deng Xiaoping who had just been reinstated as a Communist Party leader to help lead the country after the death of Mao Zedong

the founder of the socialist new China Hsufei aided by a potion of immortality taken before his burial two thousand years ago resurrected right before Deng's eyes It was the start of a mysterious voyage for both of them at the critical transformation stages of the country the journey ending in the midst of the turbulent events in the spring of 1989 In the course of Hsufei's eventful second life stories pertaining to fictitious and real characters were intertwined and unfolded with Hsufei being in the central narrative and Deng the de facto protagonist revealing the duo's secret collaboration in countering on the one hand the Party left wingers who opposed the opening up of China and a driving force that strived for the overturn of the Communist regime on the other On fictional construction these historical issues are raised and addressed why Japan invaded China and brutalized Chinese people during World War II how Deng came to devise the economic reforms and future paths of China when he took power in 1978 what prompted him to regain the sovereignty of Hong Kong from the British and what happened that led to the June 4 Tiananmen Square crackdown *The First Hundred Years* Pawcatuck Seventh Day Baptist Church (Westerly, R.I.), 1940
