The Adventures Of Sally:

The Adventures of Sally (Volume 1 of 2) (EasyRead Super Large 20pt Edition) Pelham Grenville Wodehouse, In a story set on both sides of the Atlantic life was always simple for Sally Nicholas until she inherits a fortune Being unaccustomed to owning a great deal of money Sally hasn't got the hang of it yet which is why she agrees to her brother's wild theatrical venture Amazon.com [The Adventures of Sally](#) P. G. Wodehouse, 2022 **The Adventures of Sally (EasyRead Super Large 18pt Edition)**, 1925 **The Adventures of Sally - P. G. Wodehouse** P. G. Wodehouse, 2021-06-15 Pretty charming but impoverished Sally Nicholas' humdrum life is turned upside down when fate decides to step in In this breezy romantic comedy PG Wodehouse delights readers with his portrayal of a charming young American girl who unexpectedly inherits a fortune which changes her life forever The story follows Sally's fortunes and is told in Wodehouse's typical humorous style and keeps the reader thoroughly entertained to the very end First published in 1921 as a serial in Collier's Magazine in the US and in 1922 in the Grand Magazine UK it appeared in book form titled Mostly Sally in 1922 Sally lives with her brother Fillmore in a cheap boarding house and works as a taxi dancer to earn her living She is on the verge of getting engaged to a budding playwright Gerald Foster The story opens with Sally throwing a party to celebrate her good luck The guests are fellow boarders and each one of them has a suggestion on how to use the money Fillmore who has become even more proud and pompous after coming into wealth is an unattractive specimen who is not above a bit of skating on thin ice in financial matters at the firm where he works He also nurses theatrical ambitions Sally decides to enjoy her good luck and spend her money on an extended holiday in France where she meets a host of interesting characters Among them are the bucolic yet steadfast pugilist Ginger Kemp and his debonair cousin the suave Bruce Carmyle How Sally finds true love and happiness forms the rest of the story which takes some enjoyable detours to arrive at its conclusion Filled with lots of confusion and mistaken identity laughs and some tears this is an entrancing read especially for Wodehouse fans The cute and vivacious Sally makes a memorable and lovable heroine and the reader is easily drawn into her adventures This is a story that appeals to readers of all ages Pretty charming but impoverished Sally Nicholas' humdrum life is turned upside down when fate decides to step in In this breezy romantic comedy PG Wodehouse delights readers with his portrayal of a charming young American girl who unexpectedly inherits a fortune which changes her life forever The story follows Sally's fortunes and is told in Wodehouse's typical humorous style and keeps the reader thoroughly entertained to the very end **The Adventures of Sally (Include Audio Book)** P. G. Wodehouse, 2016-10-19 Sally lives with her brother Fillmore in a cheap boarding house and works as a taxi dancer to earn her living She is on the verge of getting engaged to a budding playwright Gerald Foster The story opens with Sally throwing a party to celebrate her good luck The guests are fellow boarders and each one of them has a suggestion on how to use the money Fillmore who has become even more proud and pompous after coming into wealth is an unattractive specimen who is not above a bit of skating on thin ice in financial matters at the firm

where he works He also nurses theatrical ambitions Sally decides to enjoy her good luck and spend her money on an extended holiday in France where she meets a host of interesting characters Among them are the bucolic yet steadfast pugilist Ginger Kemp and his debonair cousin the suave Bruce Carmyle The Adventures of Sally Pelham Grenville Wodehouse,1940 **The Adventures of Sally. G. Wodehouse,2008-11-01 **The Adventures of Sally** P. G. Wodehouse,2014-01-26 Sally looked contentedly down the long table She felt happy at last Everybody was talking and laughing now and her party rallying after an uncertain start was plainly the success she had hoped it would be The first atmosphere of uncomfortable restraint caused she was only too well aware by her brother Fillmore s white evening waistcoat had worn off and the male and female patrons of Mrs Meecher s select boarding house transient and residential were themselves again At her end of the table the conversation had turned once more to the great vital topic of Sally s legacy and what she ought to do with it The next best thing to having money of one s own is to dictate the spending of somebody else s and Sally s guests were finding a good deal of satisfaction in arranging a Budget for her Rumour having put the sum at their disposal at a high figure their suggestions had certain spaciousness Let me tell you said Augustus Bartlett briskly what I d do if I were you Augustus Bartlett who occupied an intensely subordinate position in the firm of Kahn Morris and Brown the Wall Street brokers always affected a brisk incisive style of speech as befitted a man in close touch with the great ones of Finance I d sink a couple of hundred thousand in some good safe bond issue we ve just put one out which you would do well to consider and play about with the rest When I say play about I mean have a flutter in anything good that crops up Multiple Steel s worth looking at They tell me it ll be up to a hundred and fifty before next Saturday Elsa Doland the pretty girl with the big eyes who sat on Mr Bartlett s left had other views Buy a theatre Sally and put on good stuff And lose every bean you ve got said a mild young man with a deep voice across the table If I had a few hundred thousand said the mild young man I d put every cent of it on Benny Whistler for the heavyweight championship I ve private information that Battling Tuke has been got at and means to lie down in the seventh Say listen interrupted another voice lemme tell you what I d do with four hundred thousand If I had four hundred thousand said Elsa Doland I know what would be the first thing I d do What s that asked Sally Pay my bill for last week due this morning Sally got up quickly and flitting down the table put her arm round her friend s shoulder and whispered in her ear

Elsa darling are you really broke If you are you know I ll Elsa Doland laughed You re an angel Sally There s no one like you You d give your last cent to anyone Of course I m not broke I ve just come back from the road and I ve saved a fortune I only said that to draw you *The Adventures of Sally* P. G. Wodehouse,2008-01-01 Wodehouse has written a very interesting book with the Adventures of Sally In this case the interest is created by Sally herself as her story unfolds even though she is surrounded by most every mundane stock character available during that time period Yet still Sally shines as an entirely human beacon of life light and hope in a world that seems doomed to be run with comedic austerity Quite a unique perspective You can almost feel the Great Depression looming ominously beyond the horizon as the Sallys tale begins with dreamy plans for financial gains and burdens of familial financial loss Almost immediately Sally is whisked away to a less widely known vacation spot in Roville France where she meets love interests Mr Two and Mr Three already engaged to Mr One Sallys sparked interest in Mr Two lets call him Ginger begins the basic premise for the plot The rest of the book involves rejection from Mr One in favor of Miss Two and offering scorn to Mr Three in reponse to his offers of love predictably because he was immediately and always disliked This is all sandwiched between the financial adventures of Sallys brother Fillmore as he competes for financial independance by taking up multiple ludicrous failing schemes Now while unpredictable the plot offers little in intrigue directly itself but it does offer us something that few plots do a feeling of reality The repeated financial failures of friends and family members do happen and seeing it portrayed here does a lot for the emotional involvment in the story A nagging depression is the offshoot of this approach always knowing that things are not going well cannot go well and will not go well does that to you During these traumatic events we see Sally as she is portrayed as a real flesh and blood human being Still trapped in the mannerisms of the day the etiquette that covers up much of her true feelings but also alone and dismal One scene stands out to me more than anything Sally receiving that Dear Jane letter from Mr One knowing what it must contain sitting on the floor in the bathroom and burning it But not just burning it but throwing a lit match at it and letting it burn on top of it and repeating that process until it was nothing more than a dirty spot on the floor Very memorable While the basic plot as Ive outlined it seems simple it is actually more complicated There are reasons why each of the three love interests are considered and of interest at least for a short time and this is an example of the plots creativity Also spicing up the plot is the basic itinerary which includes London NYC Chicago Detroit and the already mentioned Roville France and these diverse locations add much to the flavor Combine that with including three main characters of British descent and you have a recipe for intrigue Other story elements of interest include thetrical productions boxers and dance instructors think Tina Turners Private Dancer and you get the picture better These so fit the persona of urban America at the time and if you like any of these bits of Americana this book would be considered a must read As with most of the classics there are bits of historical flavor which make them real gems Overall a very good book from a very good author who has a very unique style of writing you are sure to find refreshing Highly Recommended *The Adventures of*

SALLY P. G. Wodehouse,2014-01-30 This classic book is formatted with LARGE fonts for your convenience Enjoy your reading At her end of the table the conversation had turned once more to the great vital topic of Sally s legacy and what she ought to do with it The next best thing to having money of one s own is to dictate the spending of somebody else s and Sally s guests were finding a good deal of satisfaction in arranging a Budget for her Rumour having put the sum at their disposal at a high figure their suggestions had certain spaciousness

The Adventures of Sally Pelham Libreville,2017-02-19 ore Nicholas had not worn well At the age of seven he had been an extraordinarily beautiful child but after that he had gone all to pieces and now at the age of twenty five it would be idle to deny that he was something of a mess For the three years preceding his twenty fifth birthday restricted means and hard work had kept his figure in check but with money there had come an ever increasing sleekness He looked as if he fed too often and too well All this however Sally was prepared to forgive him if he would only make a good speech She could see Mr Faucitt leaning back in his chair all courteous attention Rolling periods were meat and drink to the old gentleman Fillmore spoke I m sure said Fillmore you don t want a speech Very good of you to drink our health Thank you He sat down The effect of these few simple words on the company was marked but not in every case identical To the majority the emotion which they brought was one of unmixed reli
