The Aliens Mate Alien Abduction Scifi Erotica English Edition:

Forbidden Mate Opal Carew, 2018-07-16 Being abducted by aliens to be mated to their king is not how Aria imagined her dream vacation would begin. Aria's career fills the void that foster care left behind, but recently steamy erotic dreams make her think she's working too hard. A free trip to a luxury resort is just the ticket. Until she's ushered to a VIP party and abducted by an alien who insists she's his king's soul mate. Love at first sight, let alone sight unseen, is a myth. Her increasing attraction to the ship's captain, however, is far too real. Captain Tai Gaman's mission was simple: Kidnap Aria and deliver her to his king. What's complicated is the blinding desire he feels for the Earth woman that is almost impossible to resist. As the sexual hunger between them reaches unbearable height, Tai must make the most difficult decision of his life: Claim her as his own or fulfill his duty to the king. **Forbidden Mate** is the first book in Opal Carew's sexy sci-fi romance series *Abducted*. In fact, one man in particular. But the pull she feels to Jenna is undeniable, albeit confusing as hell. She knows it's true love and travels across the universe to find her. The problem is going to be convincing Jenna that they're meant to be together. As insurmountable as that problem seems, the bigger problem is Darrick has always been in love with Casey. They grew up together. She's always been there for him, helping him through his difficult past. They knew from an early age that they were soul mates and have been happy together. Until his whole world was shattered when Casey revealed that she feels the irresistible draw to a new soul mate: An Earth woman named Jenna.
