**Golden State, Golden Youth** Kirse Granat May,2010-03-15 Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as *The Mickey Mouse Club* *Gidget* and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation s postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement s campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan s victory presaged a rising conservatism across the nation

Boyte, Nancy N. Kari, 1996 The authors compare the public spirited work that enabled diverse peoples to forge connection gain a stake in the nation and find intellectual challenges to a time when people are predominately consumers instead of producers They offer many current examples which demonstrate encouraging changes Laughter in the Living Room Michael Tueth, 2005 For more than fifty years some very funny people have been entering American homes through television s big picture window From Lucy and Uncle Miltie to Archie Bunker and Marge Simpson certain comic stars of television history have become not just cultural icons but friends of the family This comprehensive study of the most successful television comedies including domestic sitcoms workplace comedies variety shows late night comedy animated comedy and more reveals that unlike the comedy found in film on stage in comedy clubs and concert halls television s presentation of comic characters and stories must negotiate a relationship with the more privatized and value laden environment of each American home that it enters Young, White, and Miserable Wini Breines, 2001-03 The experts fifties women men and male social scientists Family legacies Sexual puzzles The other fifties beats bad girls and rock and roll Alone in the fifties Anne Parsons and the feminine mystique Plain Folk, Planters, and the Complexities of Southern Society Ricky L.
