**George W.E. Nickelsburg in Perspective, vol. 1** Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870 *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *Be Afra Volume 1* Oladipo G. Michalak,2012 Originally presented as the author s thesis doctoral Trinity College Dublin 2011     Angels Michael S. Heiser,2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you re not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It s a book about the loyal members of God s heavenly host and while most people associate them with the word angel that s just one of many terms the Bible uses for supernatural beings In The Unseen Realm Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book Angels Dr Heiser reveals what the Bible really says about God s supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate Angels is not guided by traditions stories speculations or myths about angels Heiser s study is grounded in the terms the Bible itself uses to describe members of God s heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible s view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God s holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today     The Dead Sea Scrolls for a New Millennium Phillip R.
