Penetration Carolyn Lloyd-Davis, 2021-10-24 *Coercion Consent Confusion* Based on true events the play follows the stories of Anna a rape complainant and Sean the defendant with insight and sensitivity This heart breaking multi layered play jolts the audience into exploring the implications of consent focussing on the impact of toxic coercive relationships the power of social media and the need for healthy sexual boundaries especially when alcohol or drugs blur the lines The play deliberately takes no specific moral or legal standpoint forcing you to question long held beliefs and inherent prejudice A socially provocative play which is of particular significance in the light of recent shocking reports about the low incidence of convictions for rape and sexual assault in the UK

Red Army Faction. Red Brigades, Angry Brigade. The Spectacle of Terror in Post War Europe Gianfranco Sanguinetti, John Barker, Charity Scribner, Tom Wise, 2015-07-13 This collection brings together a spread of writers revolutionaries and reprobates to offer up a variety of critical perspectives on key European armed struggle groups from the 1970 s Gianfranco Sanguinetti founding member of the Italian Section of the Situationist International writes in *On Terrorism and the State* 1978 Italian terrorism is the last enigma of the society of the spectacle and only those who reason dialectically can solve it Today all those who speak of social revolution without denouncing and combating the terrorist counter revolution have a corpse in their mouths Dave and Stuart Wise *King Mob* look into the relationship between the Italian Communist Party workers struggles post 68 and the roots of the Red Brigades concluding of the latter they added to the substitutionism of Lenin who replaced the proletariat by the Party by replacing the Party with the armed struggle Prof Charity Scribner MIT contributes *Buildings on Fire* The Situationist International and the Red Army Faction exploring how and why the SI and the RAF s differing definitions of autonomy produced divergent modes of resistance Both the RAF and the Situationists drew from the arsenals of anarchism and Marxism But whereas Debord critiqued the society of the spectacle the leaders of the RAF became fodder for the media machine leaving a legacy heavy on style but light on political analysis Tom Vague contributes fast paced potted histories of the RAF and Angry Brigade both strong on time line energy both useful entry level introductions to the respective narratives John Barker was sentenced to ten years at the Old Bailey in 1972 for his Angry Brigade activities they framed a guilty man and here he laments Tom Vague s fetishisation of the Angry Brigade and how comfortable he is with the situationist angle while saying nothing about the analysis and theory that came out of the Italian movement from *Potere Operaio* onwards which was more important to us Barker s piece dated from the late 1990 s goes on to give a brief but uniquely frank first person perspective on the AB s

activities viewed through the prism of realism maturity and continued belief in the revolutionary potential of mass working class action over the clandestine substitutionist activities of the few a fitting end to this book

[Jeremy Brett - Playing a Part](#) Maureen Whittaker, 2024-09-23 Holmes could be rude impatient abrupt and his intolerance of fools was legendary I tried to show all this all of the man s incredible brilliance But there are some cracks in Holmes s marble as in an almost perfect Rodin statue And I tried to show that too It s difficult for me to say what I may have given to the image of Holmes Faithful to Conan Doyle s text certainly Also I ve tried to bring out the emotion that is there in Holmes On the surface he seems a cold sometimes dark rather off putting figure But deeper down I think he s a man of feeling

Jeremy Brett is still recognised as the most celebrated incarnation of Sherlock Holmes which he presented for ten years Jeremy delighted viewers with his dashing arrogant moody interpretation of the most popular famous detective he brought a brooding intensity to his finest role one of disturbing power He is still called the definitive Sherlock Holmes Covering a forty year period from first leaving Central School of Speech and Drama until his early death at the age of 61 Playing a Part is a full career book of a very fine actor who would delight audiences as a sensitive lover or as a haunted murderer Talented loved and admired by the theatrical world at the birth of the National Theatre led by Laurence Olivier Robert Stephens and Maggie Smith Beginning and ending his career in Manchester he would transfer his talents to the American culture of the 70s as he settled into his new life with his American wife but was enticed back with some of the best classical roles for television and the stage Jeremy

s own words are used whenever they are available to present his story and his approach to playing the parts His unfailing enthusiasm for a new project and the degree of commitment comes through Illustrated with original photographs covering his life and career it is the first detailed record of all his performances on the stage film or television **The B. S. Johnson - Zulfikar Ghose Correspondence** Vanessa Guignery,2015-04-01 From 1959 to 1973 the writers B S Johnson and Zulfikar Ghose regularly wrote letters to each other in which they discussed their own work and literary preoccupations They exchanged early drafts of poems short stories plays and novels and their correspondence contains detailed comments and extended analyses of these texts as well as illuminating reflections on literature criticism poetics and aesthetics Though much of the correspondence is an extended literary discussion it also contains moments of personal revelation jokes and anecdotes so that the letters with their surprising asides are enjoyable to read even as they inform with their biographical and intellectual content The two authors also frequently refer to the university poetry journals and literary magazines they contributed to or edited and they write about the poetry meetings they attended and the writers they met or read Their involvement in literary groups and their dealings with publishers editors and agents are indicative of the publishing mechanisms of the time This correspondence thus not only provides insight into the work of both B S Johnson and Zulfikar Ghose but also conjures up a comprehensive picture of the London literary world of the 1960s **Hopelessly Devoted** Kae Tempest,2015-01-13 Freedom has only ever meant Love And life lived without love Is not life enough Chess is in prison Facing a lengthy sentence her cell mate Serena becomes her soul mate But when Serena is given parole Chess faces total isolation Hope comes in the form of a music producer looking for a reason to love music again She finds a powerful voice in Chess But to harness her talent Chess must first face her past Featuring Kae Tempest s trademark lyrical fireworks and live music this is a story of love and redemption *Hopelessly Devoted* received its world premiere on 19 September 2013 at the DOOR Birmingham Rep co produced by Paines Plough and Birmingham Rep It toured the UK again in 2014 *The Modern Stage and Other Worlds (Routledge Revivals)* Austin E. Quigley,2015-08-11 Modern plays are strikingly diverse and as a result any attempt to locate an underlying unity between them encounters difficulties to focus on what they have in common is often to overlook what is of primary importance in particular plays to focus on their differences is to note the novelty of the plays without increasing their accessibility In this study first published in 1985 Austin E Quigley takes as his paradigm case the relationship between the world of the stage and the world of the audience and explores various modes of communication between domains He asks how changes in the structure of the drama relate to changes in the structure of the theatre and changes in the role of the audience Detailed interpretations of plays by Pinero Ibsen Strindberg Brecht Ionesco Beckett and Pinter question principles about the modern theatre and establish links between drama structure and theatre structure theme and performance space **Music in Contemporary British Fiction** Gerry Smyth,2008-11-20 *Movie Watchers* Guide to Enlightenment describes helpful movies in healing and Awakening to Truth
