The 13th Gift A True Story Of A Christmas Miracle:

The 13th Gift Joanne Huist Smith, 2015-01-29 Every day can be Christmas After the unexpected death of her husband Joanne Huist Smith had no idea how she would keep herself together and be strong for her three children especially with the holidays approaching The cheerfulness of the season made her feel more alone than ever no matter how much she wanted to reach out to her children and find some way to comfort them But thirteen days before Christmas a poinsettia appeared on the Smiths doorstep The next day another gift arrived then another and another Each present was accompanied by a note with lyrics to the carol The Twelve Days of Christmas rewritten to fit the gift and signed Your true friends Although Jo resisted the intrusion at first the gifts began to work a kind of magic on her and the kids As they puzzled over the mystery together who were the true friends when would the next delivery arrive could anyone catch the gift givers in the act their grieving hearts began to heal The 13th Gift is a true story about the everyday miracles that can occur during the holiday season It is a heartwarming reminder that with love community and family even the most broken of hearts can be mended **The 13th**

In today's hurry up world it seems we rarely take the time to think of other people and walk a mile in the other man's shoes If we did what would we see They Worshipped Him revisits the nativity story from the perspective of the people who were actually there In this dramatic retelling we glimpse the innermost thoughts and feelings of some of the very common people whose lives were forever changed by a most extraordinary event What did the shepherds feel What did others think of them Were they perceived as eccentric And what about the wise men who followed the star Did they have an entire entourage or did people treat them like three dottering old men And what about Mary and Joseph how did this unusual pregnancy affect them They Worshipped Him answers many of these questions while reminding us of the biblical characters humanity The singing of favorite seasonal carols is woven into the drama encouraging audience participation And it's an adaptable work that can be staged as elaborately or simply as you wish While there are speaking parts for 12 angels 5 animals 6 shepherds 3 magi the innkeeper Mary Joseph and a narrator roles can easily be combined for use with any size congregation Staging instructions are included Far too many plays being marketed to churches today are not well written place unreasonable requirements on the space and talent available in the average local church and contain biblically inaccurate statements and characterizations Gail Keffer's play They Worshipped Him doesn't present any of those problems It is written in a flexible manner that makes it easy to adapt to a worship service dinner theater or a feature length play for an annual Christmas production It also does a magnificent job of presenting a biblically accurate version of the nativity story that can be heard understood and remembered by all of God's children We used this play two years ago and people are still talking about it One comment I heard was that the play made Mary seem like a real person and not a stained glass Madonna who's out of touch with the realities people like us face Kari Turner McClellan Senior Pastor First Presbyterian Church Levittown Pennsylvania Gail K Keffer is a graduate of Slippery Rock University B S and M Ed An active member of Glen Moore Presbyterian Church in New Castle Pennsylvania Keffer is a former schoolteacher who has run a needlework design business and is currently the proprietor of The Amish Peddler a business specializing in the sale of fine Amish made furniture **The Publishers Weekly** ,2004 **Forthcoming Books** Rose Arny,2002 **New York Magazine** ,1987-12-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Seattle Public Library Bulletin* Seattle Public
