MATTHEW QUIRK

The 500 A Novel Mike Ford Book 1

American Library Association

The 500 A Novel Mike Ford Book 1:

The 500 (Mike Ford 1) Matthew Quirk,2012-05-24 Mike Ford was following his father into a life of crime when he chose to go straight and instead worked his way through Harvard Law School Now he's landed the ultimate job with the Davies Group a powerful political consulting firm run by the charismatic Henry Davies Rubbing shoulders with Washington's heavyweights and with more money and privileges than he's ever imagined Mike believes that everything has finally come right But he's about to discover that power comes with a price Henry Davies is looking for a protégé for a crucial deal and one that must go right no matter what Mike soon learns that being on the side of the lawmakers doesn't mean your work is legal And there's no place for a moral code when you're on the devil's payroll THE 500 is a fast paced thriller that takes the reader on a journey through the corridors of power to the crack dens of Washington and the corrupt underbelly of American politics

The 500 Matthew Quirk,2012-06-05 A gripping thriller debut set deep in the heart of the world's most powerful political arena A year ago fresh out of Harvard Law School Mike Ford landed his dream job at the Davies Group Washington's most powerful consulting firm Now he's staring down the barrel of a gun pursued by two of the world's most dangerous men To get out he'll have to do all the things he thought he'd never do again lie cheat steal and this time maybe even kill Mike grew up in a world of small stakes con men learning lessons at his father's knee His hard won success in college and law school was his ticket out As the Davies Group's rising star he rubs shoulders with The 500 the elite men and women who really run Washington and the world But peddling influence he soon learns is familiar work even with a pedigree a con is still a con Combining the best elements of political intrigue and heart stopping action The 500 is an explosive debut one that calls to mind classic thrillers like The Firm and Presumed Innocent In Mike Ford readers will discover a new hero who learns that the higher the climb the harder and deadlier the fall

Book Review Index - 2009 Cumulation Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year
