The America We Deserve:

The America We Deserve Donald Trump, 2000-01-15 The essential bestselling book that first defined President Donald Trump's political ideas The America We Deserve is the essential book for anyone who wants to understand the core of Donald Trump's political thinking In this book written as he first considered running for president in 2000 Trump offers no nonsense populist provocative and dramatic solutions to issues that continue to resonate with voters today In this book Trump lays out a vision for America that is strong optimistic and founded on core Republican principles of self reliance limited governance economic growth and equitable taxation Striking for its similarities to President Trump's current initiatives but also fascinating in its differences The America We Deserve reveals a man who is fully engaged with the nation and cares deeply about its future Readers and voters will discover Trump's ideas on Foreign policy and relations with China Russia North Korea and Israel How to fix our broken and underperforming education system Reducing regulations on business to help create jobs and economic growth A dramatic one time tax on the super wealthy to close the national debt and fuel tax cuts for the middle class Immigration crime terrorism and more The America We Deserve is essential reading for Trump watchers voters Republicans Democrats and anyone interested in how Trump the businessman became Trump the president

Навчаймося виступати публічно Некряч Т. Є., Довганчина Р. Г., *The American Dream* Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the Dream The problem however is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding about the American Dream and what makes the story most compelling

Trump Effect Karina V. Korostelina, 2016-10-14 The overarching goal of this book is to show how the popularity of Trump has revealed substantial problems in the social political and economic fabric of American life

President Trump, Inc. T. J. Coles, 2017-06-19 An important book that deserves to reach a wide audience Noam Chomsky With Trump in the White House big business has direct power in government Trump has stacked his cabinet with former employees of investment banks big oil and international corporations Now that big business has its representatives in the cabinet it no

longer needs to indulge in expensive lobbying Under Trump corporations control US policy How and why did this happen and what does it mean for the bulk of the population T J Coles presents the background to Trump s rise tracing the history of economic neoliberalism He shows what a liberal economy means in practice privatization of public resources cutting red tape for corporations and internationalizing volatile money markets For ordinary working people neoliberalism translates to ongoing falls in living standards fewer protections for workers spiralling housing costs and social cutbacks As a consequence many voters are turning their backs on mainstream politics with some supporting far right populist parties including the Trump faction of the Republican Party and UKIP in Britain despite the fact that these parties support the very policies that make ordinary people poorer President Trump Inc exposes the Trump hoax Trump sold himself as a maverick but in reality big business has been lobbying Congress for years to do what he campaigned for tearing up the international TPP trade agreement keeping out low skilled immigrants whilst fast tracking specific foreign workers and helping repatriate corporations to the US Trump s apparently personal agenda to Make America Great Again is actually big business s wish list Coles concludes on a positive note offering tangible hope Real change he notes doesn t come from the top down Millions of people all over the world are working at the local level to win power back from centralized elites for their communities The first step in this process of true democratization is to understand what s really happening and Coles essential analysis provides a clear picture of the present reality *The Conservative Case for Trump* Phyllis Schlafly, Ed Martin, Brett M. Decker, 2016-09-06 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Proceedings of ... National Convention of the American Legion** American Legion. National Convention, 1999 *Author in Chief* Michael B. Costanzo, 2019-04-29 With the publication of his Personal Memoirs in 1885 Ulysses S Grant established what is today known as the presidential memoir Every U S president since Benjamin Harrison has written one and many have turned to other forms of writing as well This book covers the history of works including autobiographies diaries political manifestos speeches fiction and poetry authored by U S presidents and published prior to during or after their terms The writing was easy for some harder for others with varying success from literary comebacks and bestsellers to false starts and failures An Unfamiliar America Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one s identity building The researcher s constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while

Unfreedom of the Press BLITZ is the latest must read from Horowitz insightful hard hitting controversial and uncompromising Ignore him at your peril Peter Schweizer New York Times bestselling author of Clinton Cash and Profiles in Corruption This is the book your anti Trump relatives and friends should read as clear a moral indictment of the anti Trump left as has been written Dennis Prager President of PragerU and New York Times bestselling author Unparalleled insight into the current political climate how we got here and what it means for 2020 elections Sean Spicer Host of Spicer Co Newsmax TV Horowitz understands the left s malevolent goals and how to stop them This is a must read book Charlie Kirk New York Times bestselling author of The MAGA Doctrine David Horowitz author and political activist believes President Donald Trump should focus on the issue of keeping Americans safe to help secure his re election in the fall One News Now *New York*,2000 *When America Stopped Being Great* Nick Bryant,2022-11 The BBC s New York correspondent delves into the history of this once great nation to explain how the seeds of Trumpism were sown in the decisions of past administrations and how the historical clues paved the way for an outside to take power The Alt-Right George Hawley,2018-11-07 In recent years the so called Alt Right a white nationalist movement has grown at an alarming rate Taking advantage of high levels of racial polarization the Alt Right seeks to normalize explicit white identity politics Growing from a marginalized and disorganized group of Internet trolls and propagandists the Alt Right became one of the major news stories of the 2016 presidential election and exploded into public consciousness after its march through Charlottesville in summer 2017 Discussions of the Alt Right are now a regular part of political discourse in the United States and beyond In *The Alt Right What Everyone Needs to Know* George Hawley one of the world s leading experts on the conservative movement and right wing radicalism provides a clear explanation of the ideas tactics history and prominent figures of one of the most disturbing movements in America today Although it presents itself as a new phenomenon the Alt Right is just the latest iteration of a longstanding radical right wing political tradition Throughout Hawley discusses the other primary ideological influences on the Alt Right libertarianism paleoconservatism neo reaction and the Men s Rights Movement The Alt Right represents a genuine challenge to pluralistic liberal democracy but its size and influence are often exaggerated Whether intentionally or not President Donald Trump energized the Alt Right in 2016 yet conflating Trump s variety of right wing politics with the Alt Right causes many observers to both overestimate the Alt Right s size and downplay its radicalism Hawley provides a tour of the contemporary radical right and explains how it differs from more mainstream varieties of conservatism Dispassionate and accessible this is an essential overview for anyone seeking to understand to this disruptive and dangerous political movement

The State of American Agriculture United States. Congress. Senate. Committee on Agriculture, Nutrition, and Forestry,1978 Not Free America Mike Donovan,2020-10-27 Not Free America is a call to all Americans to take back our constitutional freedoms and break free of our abusive relationship with our government Mike Donovan s groundbreaking work on behalf of personal liberties has made him an object of fascination on both the Right and the Left In this

groundbreaking book Mike Donovan the CEO of Nexus Services calls out the elites who wield power in our country not only the elites at the federal level but the elites who exert control over us in our states and counties our cities and towns Not Free America is a passionate call to all freedom loving Americans to take back our constitutional freedoms and break free of what he calls our abusive relationship with our government Donovan details how the wholesale shredding of the Bill of Rights started long before the concurrent crises of Covid 19 and the protests and violence that followed the murder of George Floyd Not Free America shows us how those events were used by forces in our local state and federal governments that had systematically been abridging our rights for decades These rights Mike reminds us are God given rights guaranteed to us by the Constitution the Bill of Rights and the Fourteenth Amendment As the pastor of the First Christian Church Universalist in Harrisonburg Virginia Mike Donovan is far from your quiet country clergyman A fierce warrior with the spirit of God and the tough skin of a lawyer he has dedicated his life to protecting liberty and preserving individual rights serving the underserved and ministering to those who are overlooked in our broken society Indeed there are aspects to his past and present that make him an easy target for judgment from all directions But Mike Donovan hides from nothing He openly embraces the faults of his past and dedicates his present to creating a future that helps others move past their own unfortunate pasts Born to a poor family in Page County Virginia he found himself at a young age convicted of writing bad checks resulting in multiple felonies for which he served seven months in the county jail But the time he served didn't break him it helped make him the man he is today a man of the law and a man of God who believes with all his heart and soul in the possibility of redemption and the power of moving beyond past mistakes He also came out of that experience knowing he needed to make a difference for others who found themselves in the same place he'd just been Not content to talk the talk Mike Donovan walks the walk in the footsteps of the Jesus who said I was in prison and you came to visit me Whatever you do for the least of these you do for me Not Free America shows us how to do all that for America and for our children The book ends with The Liberty Pledge an agreement readers will make stating that they will vote only for lawmakers who agree to uphold the rights and freedoms guaranteed by the Bill of Rights and the Fourteenth Amendment
