The Bad Mother:

The Bad Mother's Handbook Kate Long, 2005 The story of a year in the lives of Charlotte Karen and Nan none of whom can quite believe how things have turned out Why is it all so difficult Why do the most ridiculous mistakes have the most disastrous consequences When are you too young to be a mother Both hilarious and wise it is a clear eyed look at motherhood and childhood in its many guises from the moment the condom breaks to the moment you file for divorce or more optimistically from the moment of your baby's first cry to the moment you realise that there are as many sorts of mother as there are children and that love sometimes is the most important thing of all **The Bad Mother** Amanda Brooke, 2017-12-14 That's what he wants you to think *Confessions of a Bad Mother* Stephanie Calman, 2009-06 Funny acutely observed and drawing on her own and hundreds of other mum's real experiences Stephanie Calman presents this honest guide to motherhood *The Bad Mother's Handbook* Kate Long, 2007-12-18 BAD MOTHER RULE 1 NEVER EVER DO WHAT I DID For seventeen year old Charlotte Cooper it's too late Despite her best efforts to finish school tune out her angry slightly hysterical mother and cope with her loving but dotty grandmother she is unexpectedly now that's an understatement pregnant And don't even mention the jerk who knocked her up Charlotte's mother Karen is trying to convince herself that there are worse things than becoming a grandmother at thirty three For instance there's wanting to kill Charlotte for the mess she's made of her life Between struggling to pay the bills and halfheartedly filling out questionnaires on Internet dating sites Karen uncovers a scandalous family secret involving her own birth and then falls back into bed with her sexy ex husband So much for perfect timing In the meantime Karen's mother Nan is having a wee bit of trouble with names sometimes her own But that doesn't keep her from retaining a few things she'd rather forget Of course Nan knows that everything will work out fine for Charlotte and the baby these things usually do Now if only she could put the pieces of her own fragmented memory together she might have an interesting tale or two to share In this wickedly funny disarmingly moving novel three generations of mothers learn that it's the simplest mistakes that can change your life forever With wit and wisdom Kate Long proves that there are as many kinds of mothers as there are daughters but the love that binds them all is what truly matters BAD MOTHERS Molly Ladd-Taylor, Lauri Umansky, 1998 There really are women who are less than good mothers However during the past quarter century the definition of bad mother has changed with changing lifestyles and changes to the family structure Mothers today are blamed for a host of problems Drawing together the work of prominent scholars and journalists and individual cases BAD MOTHERS marks an important contribution to the literature on motherhood *The Myth of the Bad Mother* Jane Swigart, 1998-01-01 Good mothers are loving nurturing all giving Bad mothers are self absorbed uncaring inadequate To this popular image mothers everywhere respond with determination to be the good mother Yet despite their best efforts many women secretly fear they are failing Jane Swigart explodes the good mother bad mother myth Drawing on her experiences as a therapist as a mother along with interviews with hundreds of

Out of the Crazywoods Cheryl Savageau,2020-05-01 Out of the Crazywoods is the

riveting and insightful story of Abenaki poet Cheryl Savageau's late life diagnosis of bipolar disorder. Without sensationalizing, she takes the reader inside the experience of a rapid cycling variant of the disorder, providing a lens through which to understand it and a road map for navigating the illness. The structure of her story, impressionistic and fragmented, is an embodiment of the bipolar experience and a way of perceiving the world. *Out of the Crazywoods* takes the reader into the euphoria of mania as well as its ugly, agitated rage and into the lying down of desire that is depression. Savageau articulates the joy of being consort to a god and the terror of being chased by witchcraft; the sound of voices that are always chattering in your head; the smell of wet ashes that invades your home; the perception that people are moving in slow motion and death lurks at every turnpike; and the feeling of being loved by the universe and despised by everyone you've ever known. Central to the journey *Out of the Crazywoods* is the sensitive child who becomes a poet and writer who finds clarity in her art and a reason to heal in her grandchildren. Her journey reveals the stigma and the social, personal, and economic consequences of the illness but reminds us that the disease is not the person. Grounded in Abenaki culture, Savageau questions cultural definitions of madness and charts a path to recovery through a combination of medications, psychotherapy, and ceremony.
