

## Preface

This service and reference manual contains the technical information necessary to set up and maintain the NEC Versa® 2700 Series notebook computer. It also provides hardware and interface information for users who need an overview of the system's design. The manual is written for NEC-trained customer engineers, system analysts, service center personnel, and dealers.

The manual is organized as follows:

**Section 1 — Technical Information**, provides an overview of the hardware and interface components.

**Section 2 — General Specifications**, lists system specifications including dimensions, weight, environment, safety compliance, and power consumption.

**Section 3 — Hardware Functional Overview**, defines major system functions and subsystems.

**Section 4 — Troubleshooting and Repair**, lists technical support phone numbers, error messages and their meanings, and ways to troubleshoot problems users encounter with the notebook.

**Section 5 — Field Service Guidelines**, provides system disassembly procedures, and an exploded-view diagram with corresponding part numbers.

**Appendix A — Video Modes**, provides a list of video modes available for use with the notebook.

An Index is included for convenience.
