How to find the Guru sanjeev sareen,2023-12-09 There is a real need for a guru if we are undertaking a spiritual journey But before embarking on a spiritual path we must honestly determine whether we are ready and whether our need for a guru is genuine as opposed to just an emotional outburst Ask yourselves this question Am I committed or am I just involved We do not need a guru if we do not want God The complications in life are so great that the poor mind is unable to handle them When we are moving blindly through the valley of life stumbling in darkness we need the help of someone who has eyes who has been on the path who has followed it to the end and who can tell us the right way to go God sends the seeker indirect guidance at first through books and lesser teachers When the desire for Him is very strong He sends the help of a Self realized guru Many are trying to lead others but they have no right to do so No one can take you to God unless he himself has found God The blind can t lead the blind There is also a difference between a Guru and a spiritual teacher A teacher is one who has some experience who can guide you to a certain point and who is perhaps capable of transmitting some spiritual power but he would not be a guru That does not mean that spiritual teachers are bad but they must recognize their limitations They must see that they do not have all the answers There is a need to exercise some prudence to distinguish a true guru from a sea of self styled leaders The fake gurus are all over the place and they can hide themselves very well It is thus difficult to differentiate between a fly by night Baba and a truly evolved Guru Each one of us is susceptible to exhibiting docile cult follower behavior in the right wrong circumstances People believe that it can never happen to them because they want to believe they are stronger and better than the millions who have fallen victim to alleged cult mind control Mind control is alive and well and in many varied forms across many countries A so called cult will generally target the most educated active and capable people it can find Such beliefs as others could be made to do that but not me and others could be swayed by speeches but not me are dangerous The ease with which this happens is important for both scientific understanding and real world problems ranging from friends and family in cults to extremist movements The research by Stanford University reproduced here very well proves the same But there is a great deal we can do to stay safe sane and whole and to help the people we care about Spiritual search is indeed the inborn divine right of every human being Knowledge and education are the birthrights of every human being Do whatever we want spirituality is our inner force which has a constant pull This pull becomes very strong at times So strong that man has no choice But he will have to make the right decision This book can be referred to as a spiritual journey book advising on how do you go on a spiritual journey and safeguarding against cults and

Revolution "EL" Lee, 2008-07-22 This book shows who I am and what I have been wondering and pondering about throughout my life Although it is highly theoretical in its contents this book is practical in its application It contains several study questions for each chapter for you to reflect discuss and apply your new learning and insights It is geared for you to start from your mind to arrive at trying out your understanding for practical changes in your daily life It contains essential ethical factors that I continuously love to struggle with Among many some of them are eugenics responsive relationship between the church and the state and dialectical relationship between love and justice mind control power in the powerless discipleship and the future This is my ongoing search for answers on those topics in order to upgrade the quality of human civilization not just American or Western but overall global civilization on this tiny planet called the earth What I am questioning in this book are basically values and principles by which we humans Americans in particular go by Unless they are sound logical and ethical we are bound to make more mistakes and mishaps as we move onto the next century the twenty second In fact we humanity may not even be able to meet the next century unless we make major drastic changes in the ways that we value certain things in the principles that we choose to uphold and in the attitudes and behaviors that we exercise in our relationships with the rest of humanity on this planet In its style this book is philosophical in search of truth It is descriptive as well as prescriptive positing some ways to correct and to improve present conditions of human conventions for the purpose of upgrading human civilization not only for Americans and Westerners but more for the rest of the world Further this book is for those who have passion for humanity i e who passionately would like to see change to upgrade the quality of human civilization This book will challenge you provoke you or even depress you to some extent depending upon your values and attitudes This book requires you to have thought about meaning of life values conscience morality ethics and eugenics to fully appreciate it That is this book presupposes sufficient prior knowledge on those topics It does not explain definitions and concepts of major terms for the topics So if you have not then this will be a new frontier for you to embark although it may be a thought provoking challenge for you For instance this book is to convince you to change your view on conventions in order to see what is beyond human conventions It is practical to follow through the conventions as members of society But it is crucial to see the spirit and rational behind the conventions so that we can change our conventions to be true to the nature for the purpose of moving it closer towards the supernatural Most of our conventions are anti natural or unnatural which consequently create so many by products ruining the nature That is why we are currently dealing with global warming so alarmingly as a global warning The best human conventions are those that honor the nature reflecting natural courses in order Further this book is for you if you have passion for future It is to touch the conceptual arenas that never have been dealt with before and the frontier that no man has gone before This book is for thinkers who would like to ponder and meditate to wonder and speculate to check and verify to dream and innovate to challenge and to create something new and better for the sake of humanity especially for the future generations This book is for leaders not

managers for dreamers and not for those set in their ways This book is philosophical in its way of discoursing because it is the best way to get to the bottom of the truth It will also help you to follow **Recovery from Narcissistic Abuse, Gaslighting, Complex PTSD, Codependency and Anxious Attachment - 4 in 1** Liam Hoffman, Ted Becker, This Bundle Include Empath and Narcissist Learn How to Recognize Covert Narcissism Traits and Handle a Narcissist Gaslighting No More Recognizing Gaslighting and Healing from Emotional and Narcissistic Abuse Recovery from Complex PTSD Codependency and Anxious Attachment 4 Workbooks with exercises tabs checklist specific for each topic Ever felt like your emotions and relationships are a maze with no exit Haunted by past traumas trapped in manipulative relationships or constantly doubting your worth and reality It s time to break the chains Recovery from Narcissistic Abuse Gaslighting Complex PTSD Codependency and Anxious Attachment is the definitive Bundle your beacon in the darkest corners of emotional and relational challenges This bundle is not just a set of books it s your lifeline to Understanding the Whys Delve into the heart of PTSD codependency anxious attachment narcissistic abuse and gaslighting Empowerment Tools Equip yourself with actionable strategies to rise above and reclaim your life Shared Journeys Connect with real life accounts of resilience and triumph Blueprints for Recovery Engage with exercises tailored to rebuild your self worth and foster genuine healthy connections The path to healing and self discovery doesn t have to be walked alone and this complete recovery guide is your companion guiding you every step of the way Don t let the past or others dictate your present Seize control understand heal and thrive Your journey to a brighter freer self starts here **America's Phantasmagorical Realms: Unveiling the Unspeakable** Pasquale De Marco, 2025-04-20 Journey into the hidden realms of America s phantasmagorical wonders in this captivating exploration of the supernatural and unexplained America s Phantasmagorical Realms Unveiling the Unspeakable unveils a world of ethereal whispers arcane mysteries and unexplained phenomena inviting readers to transcend the boundaries of reality Within these pages you will embark on a quest to unravel the enigmatic whispers of ghosts and spectral manifestations uncovering the haunting beauty of the unseen world Delve into the depths of ancient magic and sorcery tracing the origins of spellcraft and discovering the secrets of enchanted artifacts Encounter enigmatic phenomena from unexplained mysteries and cryptozoological encounters to tantalizing glimpses of extraterrestrial life Embark on a journey through the realm of dreams unlocking the hidden messages of dream interpretation lucid dreaming and prophetic visions Explore the vast tapestry of the occult uncovering the wisdom of tarot cards the cosmic influences of astrology and the power of numerology Embrace the limitless potential of the mind exploring telepathy clairvoyance psychokinesis and the enigmatic realm of astral projection Transcend the boundaries of reality as you contemplate the mysteries of near death experiences out of body journeys and the existence of parallel universes Delve into the enigma of ancient civilizations pondering lost worlds undeciphered mysteries and the whispers of extraterrestrial influences Embrace the unknown questioning the nature of reality pondering the vastness of the multiverse and seeking glimpses of meaning

manipulation and deceit while also enabling them to exert influence and control over others. However, the darker aspects of human nature can also have detrimental effects on individuals and society as a whole. Embracing the dark side can lead to unethical and immoral behaviour as individuals prioritise their own needs and desires over the well-being of others. Dark psychology techniques can be used to exploit and harm others, perpetuating a cycle of manipulation and abuse. In conclusion, while embracing the dark side in the context of dark psychology can be informative and empowering, it is crucial that individuals approach these concepts with caution and ethical considerations. It is important to strike a balance between acknowledging the darker aspects of human nature and prioritising empathy, compassion, and ethical behaviour. By understanding and embracing the dark side in a responsible and mindful manner, individuals can navigate the complexities of human behaviour and utilize this knowledge for personal growth and positive change. Ultimately, the key lies in leveraging our understanding of the dark side to cultivate a greater sense of self-awareness, resilience, and empathy, leading to a more understanding and compassionate society as a whole.

A Brain Of My Own Wendy Hoffman, 2020-10-31 This book is about slavery about brains stolen in childhood and before brains that have been intruded upon, stopped, shrunk, paralyzed. We know about the history of people whose bodies were enslaved, but we know barely anything about the victims who appear free but whose brains are invisibly chained. Nor do we know about the international collusion, silence, and apathy that surround this kind of slavery. This slavery is different from better-known types because its victims do not know what is happening to them or what they have been made to do. The victims may develop sufficient awareness to break away, but they may not know whether they are recaptured. Only secret, hidden pieces of their minds hold this information. Workers in the perpetrator groups, called programmers, so fill the victims' minds with separated and isolated parts that hold programs that the victims become mindless. They have a physical brain, but other people control it. *A Brain of My Own* describes Wendy Hoffman's final years of attempting escape from the criminal mind control cult into which she had the misfortune of being born. This is her third memoir and chronicles the final years of reclaiming her brain, including the ongoing abuse and torture during her recovery process. Hoffman describes the ways in which perpetrators manipulate the brain to create amnesiac barriers, methods held secret for generations. She exposes the duplicity of perpetrators functioning as normal people in the ordinary world and what is under their masks. She gives advice about how to spot seemingly helpful people who are actually out to destroy victims of mind control. This kind of dissociation is difficult to overcome, but the path back to full humanity is possible and happening.

Agony of Humankind and the Antidote Sam Kneller, 2020-11-17 Our world is in agony. What's the antidote and how do we inject it? There are billions of good people with a desire to do what's right, and thousands of proposed solutions to the dilemmas that assail our planet. Why can't humankind make more progress toward stable prosperity and peace of mind for all peoples? Somehow something is holding us back, putting a damper on initiatives and good will. The Bible refers to a Serpent as the culprit behind human mind manipulation and sorrow. But who wants to take the Bible at face value?

especially when it refers to a talking animal and the myth of a tree with forbidden fruit The narrative appears as whimsical nonsense an affront to critical thinking Sam Kneller takes you behind the scene English or any other translation cannot do justice to the original scriptures He reveals a unique method to unlock Bible meaning with his acclaimed study course 7 Keys to master Biblical Hebrew You can easily grasp the deep meaning behind the reality of a malevolent spirit being A conquering tyrant wielding awesome powers Discover the Serpent s strategy as the all time best influencer of human consciousness It broadcasts fake news and counterfeit wisdom directly into the human mind Our worst nightmares don t hold a candle to the corruption and confusion it disseminates with uncanny ease We unsuspecting na ve humans lap it up like a pack of thirsty jack asses as the lions crouch ready to pounce on a mentally abused prey On the bright side the life saving antidote is readily available but humanity is blind to its presence wisdom and potency Learn how to take the blinders off see the obstacles and overcome the fiery dragon It can be done but will we have the insight stamina and fortitude to exercise our free will and follow that positive pathway Now you can explore the original significance of Biblical Hebrew like Sheli It is something I have been searching for a way to get past the translations and get to the deeper meaning of God s word Don t settle for just any How to Fix Humankind books that invade the bookstores This straightforward no holds barred deep dive into the why and what of the spiritual disintegration behind our planet s turmoil is a must read Journey from the dark of deceit and despair to the light of truth and peace of mind with honest attainable how to solutions Engage in understanding the Agony of Humankind and identifying the Antidote to save our nation and answer the big questions in life
