Wiesner,2015-02-25 Roxanne Hart has endured a jet set life as a model living at the height of fashion and luxury traveling from one end of the globe to the other She s allowed the world and those close to her to believe she indulges in as many superficial romances as she wants to hide the truth But she s never been satisfied by any of it The only relationship that haunts her was borne out of a bet and should have been uncommitted and forgettable Even years after it ended it s anything but The love of her life was like a midnight angel there and then gone reality within a dream every fear realized or the ultimate wish come true Jamie Doobs Dubois panicked and wrecked the best thing that ever happened to him when Rox told him she loved him during their short intense interlude as lovers He s been a vagabond and rogue all his life just like his father and the only siren he s heeded is that of the water where he lives on his father s small yacht and makes his living running charters Unfortunately Rox wasn t the first person he loved that he d run away from His deep seated guilt and

transient self worth have kept him from meeting the son he and a girlfriend conceived when they were just kids themselves But the realities of shattered love loneliness and ultimately death make him see how short life really is and how little is gained by hiding and never reaching for what you want most of all Learning that she has cancer Rox's priorities shift from everything she has in life to everything she doesn't Even as she becomes sicker she's determined to do all the things she's always wanted to so she can say at the end that she has no regrets like letting herself love her midnight angel even with the more than a little likely chance that she'll lose everything Destiny Karen Wiesner, 2013-03 How do you know destiny when it knocks on your door or recognize it if it's always been there Christian Riley Elizabeth Horace and Oscar Albright grew up together the clichéd church kids but Chris quickly found everything about his life stifling When he moves to Los Angeles to get away from everything his existence has dictated for him he doesn't expect Elizabeth to follow him but he's known for as long as he can remember that she loves him obsessively just as Oscar loves her With Chris's faith in tatters he has no interest in Christianity let alone morality Yet in the thirteen years that follow he finds himself returning to Elizabeth whenever he hits rock bottom Deep down he understands she alone will always love him no matter how far he strays or how much he hurts her when he uses her as his last ditch refuge When a serial killer rapist's attack of Elizabeth is mercifully thwarted Chris's world collapses in on him with guilt and horror coming at him from every corner The attack has changed Elizabeth She realizes she's put her life on hold for too long praying for Chris to share her belief that their love and life together is destined After she severs the ties between them Chris knows the only way to get her back is to give himself to the Lord God begins changing him from the inside out but too little too late has he fallen in love when his angel of mercy is no longer available to him
