

Dialogue

Dialogue occurs between characters in the story and can help the reader better understand the story. Dialogue can add details and help you know more about the traits and feelings of the characters.

There are three ways to use dialogue.

1. At the beginning of a sentence.

"I can't wait for school to start," Krista said.

2. At the end of a sentence.

Krista said, "I can't wait for school to start."

3. In the middle of a sentence.

"I can't wait for school to start," Krista said, "But, I will miss sleeping in."

Rules for Using Dialogue:

- For every new speaker, begin a new line.
- Capitalize the first letter of dialogue.
- Punctuation such as commas and periods go inside the quotation marks.
- Dialogue and the speaker need to be separated by a comma, exclamation point, or question mark.
