

SECOND LANGUAGE URDU

Paper 3248/01

Composition and Translation

General comments

Candidates generally performed well on this paper, with the majority producing very good performances. There were of course some for whom the technical demands of the translation were too much, but most of them coped with the differing requirements of the different questions, the only limitations being that of:

- (a) the candidates' linguistic ability, and
- (b) their ability to understand and respond appropriately to the questions.

The paper consists of three parts. The total for the paper is 55 marks.

Part 1: Directed Writing

Question 1 required candidates to write a short essay of about 150 words on the topic:

"Tree Planting."

شجرکاری

Marks were awarded on a scale of 6 for content and 9 for language, giving a total mark of 15 marks for the question.

Three main bullet points were given in the stimulus, namely:

- درخت کاٹنے کے نقصانات
- The disadvantages of cutting down trees
- درخت لگانے کی مہم کیوں ضروری ہے
- Why it is necessary to have a tree planting movement
- اس میں عوام کا ہاتھ
- What the people can do to help

2 marks were awarded for each bullet point, depending on whether candidates had given two facts and how much detail was given.

Most candidates scored well on a number of points this year, although quite a few did not score on at least one of the bullet points. It was gratifying to find that, in general, candidates were fully aware of the ecological issues facing their respective countries.
