From the Classroom to the Courtroom Elena M. de Jongh, 2012-03-20 From the Classroom to the Courtroom A guide to interpreting in the U.S. justice system offers a wealth of information that will assist aspiring court interpreters in providing linguistic minorities with access to fair and expeditious judicial proceedings. The guide will familiarize prospective court interpreters and students interested in court interpreting with the nature, purpose, and language of pretrial, trial, and post-trial proceedings. Documents, dialogues, and monologues illustrate judicial procedures; the description of court hearings with transcripts creates a realistic model of the stages involved in live court proceedings. The innovative organization of this guide mirrors the progression of criminal cases through the courts and provides readers with an accessible, easy-to-follow format. It explains and illustrates court procedure as well as provides interpreting exercises based on authentic materials from each successive stage. This novel organization of materials around the stages of the judicial process also facilitates quick reference without the need to review the entire volume, an additional advantage that makes this guide the ideal interpreters' reference manual. Supplementary instructional aids include recordings in English and Spanish and a glossary of selected legal terms in context.

Jews, Food, and Spain Hélène Jawhara Piñer, 2022-11-22 2023 Gourmand World Cookbook Awards Best Jewish Food Culture Book 2022 National Jewish Book Award Finalist A fascinating study that will appeal to both culinarians and readers interested in the intersecting histories of food, Sephardic Jewish culture, and the Mediterranean world of Iberia and northern Africa. In the absence of any Jewish cookbook from the pre-1492 era, it requires arduous research and a creative but disciplined imagination to reconstruct Sephardic tastes from the past and their survival and transmission in communities around the Mediterranean in the early modern period, followed by the even more extensive diaspora in the New World. In this intricate and absorbing study, Hélène Jawhara Piñer presents readers with the dishes, ingredients, techniques, and aesthetic principles that make up a sophisticated and attractive cuisine, one that has had a mostly unremarked influence on modern Spanish and Portuguese recipes.
