The Actual Jesus Tina Pippin,2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels

The Logic of Intersubjectivity Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

Zen: The Path of Paradox, Vol 2 Osho, 2023-04-15 Zen is unconditionally value free if you make a condition you miss the point. Zen has no fear and no greed. Zen has no God and no Devil and Zen has no heaven and no hell. It does not make people greedy by alluring them promising them rewards in heaven. And it does not make people frightened scared by creating nightmarish conceptions of hell. It does not bribe you by rewards and it does not punish you with tortures. It simply gives you an insight to see into things and that insight frees you. That insight has no greed as a base to it and no fear as a base to it. All other religions are greedy. All other religions are based deep down somewhere in fear. That's why we use the word god fearing for a religious person. A religious person is god fearing.

The Philadelphia Reader Robert Huber, Benjamin Wallace, 2006-07-21 Do you love Philadelphia? Do you love good writing? Well, this is the book for you. It's about the people of Philadelphia: the good, the fine, and the imperfect. Yes, the sports heroes are here: Mike Schmidt, Julius Dr J Erving. And the politicians: Ed Rendell, John Street. And the moguls: Brian Roberts, Comcast honcho. And the would-be moguls: Mark Yagalla, world class embezzler. And so many more, including writing in their own words: Terry Gross, Patti LaBelle, W Wilson Goode Sr, Judy Wicks, Judith Rodin, and Smarty Jones, proving that this horse is no one-trick pony. And so many more. 25 of them in all. The people and the horse who have meant something to this city during the last 20 years. Ripped from the pages of Philadelphia magazine, well OK, carefully removed and lovingly pasted into this book. Here are profiles of the people who made an era.

Reaffirming the Importance of Beauty Sonja Zuba, 2023-08-03 This book argues that beauty challenges us to find meaning in its object, to make critical comparisons, and to examine our own lives and emotions in the light of what we find. The book examines the importance of beauty not only in terms of art and aesthetics but also within the context of the current post-religious age. It engages with the philosophical works of Roger Scruton and William Desmond and endorses and addresses many important discussions surrounding art and beauty found in the works of Plato, Kant, Hegel, Schopenhauer, Nietzsche, and

Heidegger It also takes seriously the role of poetry and painting to explore the theme that runs through this research the idea that beauty is rationally found Meditations on the art of Manet Van Gogh Delacroix Rembrandt and other artists together with the voices of several poets show us that beauty cannot be reduced to aesthetics only Irreducible to philosophy religion or aesthetics the notion of beauty is deeply examined in all its forms and spiritual meaning **Blood Eagle** Stephen Byrd, 2025-02-05 Grant Bell is a private detective called in to help the Fulton County Sheriff's Department find some missing homeless people Things quickly turn sinister when a body is found tortured and murdered in the ancient Viking Blood Eagle ritual Now Grant must find the killer before he strikes again and to complicate matters one of the missing homeless people is the mayor's brother
