West Ladder Price Guide

Lloyd's Register Foundation

A red circular graphic with a gradient, appearing as a stylized arrow or a partial circle, located to the right of the Lloyd's Register Foundation text.

West Ladder Price Guide:

Ukraine, Russia and the West Stefan Hedlund, 2023-04-28 Why did Russia's all out war against Ukraine come as such a surprise to the West This is a key question considered by this reflective and wide ranging book The book argues that Russia and the West were playing different games while Russia under Putin had become obsessed with using hard power to restore the Cold War security architecture in Europe the major Western powers had become equally obsessed with value promotion that would ensure a global triumph for the values of the West touted as universal values The Russian play for spheres of interest was clearly defined and demarcated the Western play for values was by definition without limits Hence there could be no common ground no constructive communication and no common understanding While Russia convinced itself that it would be successful in forcing the West to accept its claims for a new security order based on hard power Western governments deluded themselves into believing that value promotion would transform Russia into a liberal democracy and a rules based market economy Examining the full situation exploring political military economic and business spheres the book provides a deep analysis of how the present confrontation has come about ECHOES OF ANCIENT AFRICAN VALUES

Joseph A. Bailey, II, M.D., F.A.C.S., 2005-07-18 Ancient Africans perhaps around 5500 BC established a tradition based upon truth goodness beauty and other immaterial and intangible aspects of things of worth Believing all of God's creations were forever linked they focused on having good relations with and behaviors toward fellow human beings and with nature both for the purpose of reaching a heaven afterlife Out of these concepts arose the sense of community including the practice of no person being left behind *Echoes of Ancient African Values* discusses who Ancient Africans were as a people their genius and creative ways of thinking their philosophical and spiritual foundations and their world shaping achievements Unfortunately peoples throughout the world have failed to realize or acknowledge the fact that Ancient Africans have produced the most brilliance civilization and culture the world has ever known This applies whether the measure is by significance greatness or numbers The fashioning of such brilliance inside high morals not only transcended space and time but also designed sublime echoes A major premise of this book is that these echoes were extremely instrumental in enabling Ancient African slaves to survive their hellish situation as well as having ongoingly contributed to the recovery of Black Americans from the effects of slavery Numerous examples are given Otherwise what is stressed to all peoples in the world is that Ancient African Values contain workable answers for solving every type of problem concerning humanity **Lloyd's**

Register OneOcean's Guide to Port Entry 1991-1992 Nations A-L Lloyd's Register Foundation, 1991-01-01 First published in 1971 these Guides provide invaluable information on thousands of commercial ports and terminals across the globe They are compiled and published annually by LR OneOcean whose years of global maritime experience allows them to provide expert and innovative solutions that enhance efficiency sustainability and overall industry success The Guides cover a significant geographical breadth and the most recent volume includes information on over 12 500 ports harbours and
