economy that shaped medicine and science in early modern England Reading Practice tells the story of how ordinary people grew comfortable learning from commonplace manuscripts and printed books such as almanacs medical recipe collections and herbals From the turn of the fifteenth century to the close of the sixteenth century these were the books English people read when they wanted to attend to their health or understand their place in the universe Before then these works had largely been the purview of those who could read Latin Around 1400 however medical and scientific texts became available in Middle English while manuscripts became less expensive These vernacular manuscripts invited their readers into a very old and learned conversation Hippocrates and Galen weren't distant authorities whose word was law they were trusted guides whose advice could be excerpted rearranged recombined and even altered to suit a manuscript compiler's needs This conversation continued even after the printing press arrived in England in 1476 Printers mined manuscripts for medical and scientific texts that they would publish throughout the sixteenth century though the pressures of a commercial printing market encouraged printers to package these old texts in new ways Without the weight of authority conditioning their reactions and responses to very old knowledge and with so many editions of practical books to choose from English readers grew into confident critics and purveyors of natural knowledge in their own right Melissa Reynolds reconstructs shifting attitudes toward medicine and science over two centuries of seismic change within English culture attending especially to the effects of the Reformation on attitudes toward nature and the human body Her study shows how readers learned to be discerning and selective consumers of knowledge gradually through everyday interactions with utilitarian books

Many secrets revealed about Adolf Hitler including

- 1 NEW HITLER DISCOVERY Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem The party s name had to fit in Hitler s socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise of Francis Bellamy The new discovery part is that the public doesn t know that Hitler s use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry s work
- 2 NEW SWASTIKA DISCOVERY Vladimir Lenin s swastika is revealed herein The impact of Lenin s swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin It s influence upon Adolf Hitler is explained in this book
- 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding
- 4 There is no evidence that Hitler ever used the word swastika in his life
- 5 The term swastika never appears in the original Mein Kampf
- 6 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler s book Mein Kampf as a self description by Hitler
- 7 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST

- 9 The term Nazi isn t in Mein Kampf nor in Triumph of the Will
- 10 The term Fascist never appears in Mein Kampf as a self description by Hitler

- 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist

They worked together to promote their dogma in the USA 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 16 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 17 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists Hitler s political philosophy continues to be admired by modern politicians Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists Every election witnesses Americans struggling to bring Germany s past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24 39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions The Deutschland s two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s lethal attraction to Marx and Hitler was huge compared to the USA s That is why the books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide **Original Papers, Containing the Secret**
