Calculating and Estimating Time
Reading Passage 1

Read the passage below and then match the words.

Beck was thrilled about the chance to work at Café, starting on the first day of summer break. He had just earned his food safety certification which required attending a test. If he failed the test, he could retake it at a later date. Aware of the tight timeline, Beck researched the possibilities. Starting the course a week earlier would push back his start date, due to the wait time for the next class.
