Textastrophe A Collection Of Hilariously Catastrophic Text Pranks:

Textastrophe Matt Andrews, 2025-06-25 Once upon a time prank phone calls were the best way to procrastinate but in 2015 they're so passé. Instead Matt Andrews has mastered the art of prank texting. What happens when you offer to barter two sub sandwiches for a used motorcycle? Who do you call when you want to build a mysterious man cave in your basement? What do you do if you need a knight in shining armor to deliver you to your high school reunion? If you've ever left a contact me pull tab at your local grocery or posted an ad on Craigslist and received insane and unbelievable text messages in response, Andrews is very likely to blame. We'd be mad at him if we could stop laughing long enough to hit send on the exceptionally witty come-back we thought of too late. He's already moved on to his next target and deleted us from his phone, now only to be remembered in these pages of his laugh-out-loud funny book.
