What A Carve Up:

What a Carve Up! Jonathan Coe, 2008-05-19 A wickedly funny take on life under the Thatcher government by the prize winning author of *Middle England*. It is the 1980s and the Winshaw family are getting richer and crueler by the year. Newspaper columnist Hilary gets thousands for telling it like it isn't. Henry's turning hospitals into car parks. Roddy's selling art in return for sex. Down on the farm Dorothy's squeezing every last pound from her livestock. Thomas is making a killing on the stock exchange and Mark is selling arms to dictators. But once their hapless biographer Michael Owen starts investigating the family's trail of greed, corruption and immoral doings, the time grows ripe for the Winshaws to receive their comeuppance. _____ A sustained feat of humour, suspense and polemic full of twists and ironies. Hilary Mantel, *Sunday Times*. A riveting social satire on the chattering and all powerful upper classes. *Time Out*. Big, hilarious, intricate, furious, moving. *Guardian*. Written with his signature wit. Jonathan Coe's unmissable new novel *The Proof of My Innocence* is available to pre-order now.

What a Carve Up! Jonathan Coe, 2008-05-19 A brilliant noir farce, a dystopian vision of Britain, a family history and the story of an obsession. Michael is a lonely, rather pathetic writer obsessed by the film *What A Carve Up* in which a mad kinfeman cuts his way through the inhabitants of a decrepit stately pile as the thunder rages. Inexplicably, he is commissioned to write the family history of the Winshaws, an upper class Yorkshire clan whose members have a finger in every establishment pie, from arms dealing to art dealing, from politics to banking to the popular press and factory farming. During his researches, Michael realizes that the Winshaws have cast a blight on his life as they have on Britain. His confidence, his sexual and personal identity begin to reform. In a climax set in the Winshaw's family seat, the novel turns into the film *What A Carve Up* as a murderous maniac stalks the family and Michael discovers the significance of Shirley Eaton's lingerie.

Power in Politics and Academia in Jonathan Coe's Novels Denisa Dumitrascu, 2018-04-18. This book explores the intricate manifestations of contemporary power, its related ideology and the resistance and reaction to the dominant discourse in Jonathan Coe's political fiction, covering the dismantling of the British social democratic consensus, Thatcherism and Blairism up to the new ideology of Globalism. Beyond the predictable dichotomy of support/opposition to power, the book argues the modern individual seems to have found another ontological approach for which it coins the concept of intentional unpower. Furthermore, it demonstrates that there are three possibilities regarding the evolution of this type of social response and invites the readers to discover them while enjoying Coe's subtlety and humour. Given its broad approach, the book will appeal to researchers in a wide range of domains including literary and cultural studies, political theory and sociology, as well as any reader fascinated with the essence of power, intellectual response and discourses containing their own elements of subversion.

Comedy-Horror Films Bruce G. Hallenbeck, 2009-08-11. This guide takes a comprehensive look at the comedy horror movie genre from the earliest stabs at melding horror and hilarity during the nascent days of silent film to its full fledged development with *The Bat* in 1926 to the Abbott and Costello films pitting the comedy duo against Frankenstein's Monster, the Mummy and other Universal Studio monsters, continuing to such recent cult hits as *Shaun of the Dead* and *Black Sheep*. Selected short films such as Tim Burton's *Frankenweenie* are also covered. Photos and promotional posters, interviews with actors and a filmography are included.

His oeuvre includes eleven novels and three biographies, two of famous Hollywood actors, Humphrey Bogart and Jimmy Stewart, and one of English modernist novelist B.S. Johnson. s complex engagement with popular culture his experimental technique his political satire and his broad canvased depictions of British society Though his first three books *An Accidental Woman* *A Touch of Love* and *The Dwarves of Death* received little notice upon publication Moseley shows their strengths as literary works and as precursors In 1994 Coe gained visibility with *What a Carve Up* which has remained his most admired and discussed novel He has since published a postmodern take on sleep disorders and university students *The House of Sleep* a two volume roman fleuve consisting of *The Rotters Club* and *The Closed Circle* a touching account of a lonely woman s life *The Rain before It Falls* a satiric vision of a misguided life *The Terrible Privacy of Maxwell Sim* and a domestic comedy thriller set at the 1958 world s fair in Brussels *Expo 58* Moseley explicates these works and discusses the recurring features of Coe s fiction political consciousness a deep artistic concern with the form of fiction and comedy

The Winshaw Legacy Jonathan Coe, 1996-01-03 If Charles Dickens and Agatha Christie had ever managed to collaborate they might have produced this shamelessly entertaining novel which introduces readers to what may be the most powerful family in England and is certainly the vilest A tour de force of menace malicious comedy and torrential social bile this book marks the American debut of an extraordinary writer *Jonathan Coe* Philip Tew, 2018-03-22 In novels such as *What A Carve Up* and *The Rotters Club* Jonathan Coe has established himself as one of the great satirical writers of our time Covering all of his major novels including his most recent book *Number 11* Jonathan Coe Contemporary British Satire includes chapters by leading and emerging scholars of contemporary British writing The book features a preface by Coe himself and covers the ways in which his work grapples with such themes as class politics popular music sex gender and the media

What a Carve Up!, *The Comic Turn in Contemporary English Fiction* Huw Marsh, 2022-02-24 *The Comic Turn in Contemporary English Fiction* explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present
