What Dark Passages:

Dark Passages of the Bible Matthew J. Ramage, 2013-09-24 Following the lead of Pope Benedict XVI in *Dark Passages of the Bible* Matthew Ramage weds the historical critical approach with a theological reading of Scripture based in the patristic medieval tradition Whereas these two approaches are often viewed as mutually exclusive or even contradictory Ramage insists that the two are mutually enriching and necessary for doing justice to the Bible's most challenging texts

Thomas Pynchon and the Dark Passages of History David Cowart, 2012-01-15 Thomas Pynchon helped pioneer the postmodern aesthetic His formidable body of work challenges readers to think and perceive in ways that anticipate with humor insight and cogency much that has emerged in the field of literary theory over the past few decades For David Cowart Pynchon's most profound teachings are about history history as myth as rhetorical construct as false consciousness as prologue as mirror and as seedbed of national and literary identities In one encyclopedic novel after another Pynchon has reconceptualized historical periods that he sees as culturally definitive Examining Pynchon's entire body of work Cowart offers an engaging metahistorical reading of *V* an exhaustive analysis of the influence of German culture in Pynchon's early work with particular emphasis on *Gravity's Rainbow* and a critical spectroscopy of those dark stars *Mason Dixon* and *Against the Day* He defends the California fictions *The Crying of Lot 49* *Vineland* and *Inherent Vice* as roman fleuve chronicling the decade in which the American tapestry began to unravel Cowart ends his study by considering Pynchon's place in literary history Cowart argues that Pynchon has always understood the facticity of historical narrative and the historicity of storytelling not to mention the relations of both story and history to myth *Thomas Pynchon and the Dark Passages of History* offers a deft analysis of the problems of history as engaged by our greatest living novelist and argues for the continuity of Pynchon's historical vision

The Wine Dark Passage: An Apocalyptic Coming of Age Story Wayne Kyle Spitzer, 2023-12-25 Embark on a Haunting Odyssey in The Wine Dark Passage In the eerie shadows of a post apocalyptic world where time has unraveled into chaos emerges a tale of survival and awakening as the nuclear submarine Sarpedon follows a private canal to a mysterious destination The Silent Protagonist Meet Pang The Mouse In Su a 13 year old Korean deafmute girl whose silence speaks louder than words Pang grapples with the weight of a disordered world haunted by memories of loss and the relentless pursuit of survival The Enigmatic Captain and His Companions Captain O Neil guides the USS Sarpedon through the wine dark waters Alongside him Enge Puckett a steadfast companion adds a touch of humanity to the stark reality of survival Together they navigate through the remnants of a world that has succumbed to the whims of time where primitive people and dinosaurs roam in the shadows The Elon Musk like Enigma Enter Steve Dannon an Elon Musk like figure whose private compound Chryse Planitia beckons like a forbidden sanctuary on Vashon Island Dannon reminiscent of Conrad's Kurtz hides secrets that echo in the whispers of those who dare to challenge his fractured reality As the crew embarks on this odyssey Dannon's enigma looms large a force that can reshape destinies or plunge them into deeper darkness A Heart of Darkness in the Pacific Northwest In this Pacific Northwest dystopia the crew must confront the perils of a distorted time facing not only the remnants of a lost world but the shadows of their own morality From The Wine Dark Passage We watched as he gestured to what appeared to be a large hand crank near the edge of the lock Do it O Neil seemed to indicate And he moved toward it even as something moved with him through the shadows something sleek and dark and stealthy as a panther Something which was joined by three other somethings as Jarnel took up the big iron handle and began

to crank it pausing to take off his coat and roll up his sleeves completely oblivious to the fact that he was being watched That he was being stalked What happened next happened fast so fast that I was still shaking Puckett s shoulder telling him to fire fire when one of the things leapt onto Jarnel s back and just held on tight curling its talons so that they dug into his thin wet shoulders seeming to rake his back with its sickle clawed hindlimbs closing its jaws about his neck and jugular Nor did it stop there but only got worse as the other velociraptors the other murder birds descended on him like flies like jackals knocking him to the ground burying him as if in quicksand making it impossible for anyone to even shoot at them for fear of hitting Jarnel himself Not that there would have been any point he was clearly dead already as Captain O Neil spoke into his mic and the sub moved on through the now open gates As the raptors snarled and fought over Jarnel s corpse and I looked toward the sky at the fat bloody moon which was partially obscured by the semi luminescent clouds the so called Flashback Borealis which shown red as Abaddon noting that the world hadn t remarked on his death in the least but only continued to look on in perfect silence impenetrable inscrutable having nothing whatsoever to say nothing to add or take away like we ourselves I supposed And then it was time to get ready as we were more than halfway there Time to go over the plan once more and to steel ourselves steel our shivering stomachs for what was yet to come To get square with our gods and Buddhas so we could go ashore at Camp Burton where there was a small port tucked into a heavily forested cul de sac and do at last what needed to be done

Recital of the Dark Verses Luis Felipe Fabre, 2023-10-10 A road novel a coming of age tale and a raunchy slapstick comedy that tells in careening charismatic prose the true story of the theft of the body of Saint John of the Cross In August 1592 a bailiff and his two assistants arrive at the monastery of beda with the secret task of transferring the remains of Saint John of the Cross the great Carmelite poet and mystic to his final abode When they exhume him they find the saint s body as incorrupt and fresh as when he died Thus commences a series of adventures and misfortunes populated by characters that seem to be drawn from mythology Luis Felipe Fabre masterfully incorporates Saint John s verses into his prose as if the saint had prophesied the delirium that would surround his own posthumous transfer This funny highly entertaining novel manages to honor the mystical poetry of the Carmelite while inviting the reader to reflect on issues such as the sacred and the profane the body and the soul and spiritual as well as carnal ecstasy

Hollywood in San Francisco Joshua Gleich, 2018-11-14 One of the country s most picturesque cities and conveniently located just a few hours drive from Hollywood San Francisco became the most frequently and extensively filmed American city beyond the production hubs of Los Angeles and New York in the three decades after World War II During those years the cinematic image of the city morphed from the dreamy beauty of Vertigo to the nightmarish wasteland of Dirty Harry although San Francisco itself experienced no such decline This intriguing disconnect gives impetus to Hollywood in San Francisco the most comprehensive study to date of Hollywood s move from studio to location production in the postwar era In this thirty year history of feature filmmaking in San Francisco Joshua Gleich tracks a sea change in Hollywood production practices as location shooting overtook studio based filming as the dominant production method by the early 1970s He shows how this transformation intersected with a precipitous decline in public perceptions of the American city to which filmmakers responded by developing a stark realist aesthetic that suited America s growing urban pessimism and superseded a fidelity to local realities Analyzing major films set in San Francisco ranging from Dark Passage and Vertigo to The Conversation The Towering Inferno and Bullitt as well as the TV show The Streets of San Francisco Gleich demonstrates that the city is a physical environment used to stage urban fantasies that reveal far more about Hollywood filmmaking and American culture than they do about San Francisco
