Place Called Here A Cecelia Ahern:

A Place Called Here Cecelia Ahern,2008-09-04 A redemptive and captivating novel from the No 1 bestselling author of PS I Love You [There's No Place Like Here](#) Cecelia Ahern,2009-11-24 Sometimes it takes losing everything to truly find yourself Since Sandy Shortt s childhood classmate disappeared twenty years ago Sandy has been obsessed with missing things Finding what is lost becomes her single minded goal from the lone sock that vanishes in the washing machine to the car keys she misplaced It s no surprise then that Sandy s life s work becomes finding people who have vanished from their loved ones Sandy s family is baffled and concerned by her increasing preoccupation Her parents can t understand her compulsion and she pushes them away further by losing herself in the work of tracking down these missing people She gives up her life in order to offer a flicker of hope to devastated families and escape the disappointments of her own Jack Ruttle is one of those devastated people It s been a year since his brother Donal vanished into thin air and he has enlisted Sandy Shortt to find him But before she is able to offer Jack the information he so desperately needs Sandy goes missing too and Jack now finds himself searching for his brother and the one woman who understood his pain One minute Sandy is jogging through the park the next she can t figure out where she is The path is obscured Nothing is familiar A clearing up ahead reveals a camp site and it s there that Sandy discovers the impossible she has inadvertently stumbled upon the place and people she s been looking for all her life a land where all the missing people go A world away from her loved ones and the home she ran from for so long Sandy soon resorts to her old habit again searching Though this time she is desperately trying to find her way home **Cecelia Ahern Box Set** Cecelia Ahern,2008-11-01 **Cecelia Ahern 3-Book Set** Cecelia Ahern,2012-11-01 A delightful set of three of Cecelia Ahern s bestselling titles WHERE RAINBOWS END IF YOU COULD SEE ME NOW and A PLACE CALLED HERE perfect for a Christmas gift *Book To The Future* Larry Buford,2018-05-22 Book to the Future is a historical and faith based account of how what we do and allow today will affect tomorrow It is an attempt to hold conditions of our ti mes up to the light of truth and standards for all times Just as a seaman relies upon the North Star and weights and measures have to be re calibrated for correct readings mankind has to have standards for a moral compass We re at a time where people are being misled to do what s right in their own eyes We have thousands of different church denominations and doctrines one denomination claims to have the right answers over all the others and there s no common ground Proverbs 3 7 says Be not wise in your own eyes fear revere the Lord and depart from evil Can you imagine a country where every individual is allowed to pledge to their own self made banner That would be chaos The American flag signifies one nation the United States In God s kingdom there is also one banner Jesus Christ If we denounce the American flag we are denouncing our citizenship Likewise if we denounce Jesus as savior not prophet we are denouncing our citizenship in Heaven It s been said what one generation does in moderation the next does in excess The more we continue to lower God s standards as set forth in the Bible the more we fall into immorality Just look around at where we are today If you were able to

go into a future devoid of God's standards would you know enough about His standards to help others recalibrate The Bible is to us what an owner's manual is to a car If you want to know more about your life and what you can do for our posterity read it and try to live it to the best of your ability Make a difference in your own circle of influence **Transforming**
