**THE GIFT OF GOD** Prophetess Grace Lopez,2023-08-22 Learning the true intent and character of God and His desires and plans for our lives It is necessary to understand what God's intent and society's intent for our life is When we understand the character and will of God is for us we can begin to see and receive His gift God's Will and Plan for Your Life Stacy B.

Shannon,2023-07-27 Will God use me for a purpose and a plan in my life If He will how can I know it When I hear these questions from people I always say Yes He will His personal promise is that He does have a plan and purpose for your life Just read Jeremiah 29 11 You're not going to understand everything that comes your way in life Trust one thing The same God who loved you enough to give you life loves you enough to plan for the future of the life that He has given you God promises that if you seek Him you will find Him and in doing so you will also discover His plan and purpose for your life God's will A lot of people spend a lot of time wondering about how God's will is an enigma that cannot be figured out This is a very common misconception We can figure out the plans He has for us All the details may not be crystal clear at first because God

keeps some aspects of His will to Himself but with study and meditation of God's Word we can know the path to take in any given situation He will never leave you searching for answers You will have to spend time seeking Him for answers to your prayers but once you do He will never disappoint you God is the only one who knows the plans He has for us and how they can be achieved They are plans that hold renewed joy and peace You must renew your mind with scripture from God It's my desire that whoever reads this book will let God show His everlasting love in a fresh new way No doubt once you come to Christ and accept Him as your Savior the most profound aspect of the Christian life is discovering that He has a will and purpose not only for your heavenly life but also for every situation you face each day *Hosea, Amos, Micah* Gary V. Dr. John F. Demartini, 2004-03-01 Millions of people worldwide dream of making a good living of attaining great wealth and having an extraordinary and fortunate life However they haven't yet found a way of attaining it and they fear that they can only do so at the expense of others perhaps by compromising their higher spiritual values and virtuous nature Some people who outwardly acknowledge their desire for great wealth feel inwardly guilty about acquiring it and their illusive conflict blocks or dissipates their potential fortunes Other people say they just want to be comfortable and secure rather than vastly fortunate These individuals also hold themselves back from breaking through to new levels of financial freedom and actually living their most cherished and inspiring dreams In addition to their conflicting spiritual and material natures some people have an additional internal struggle between their desires to give and receive

**How to Make One Hell of a Profit and Still Get to Heaven** was written to help you if you happen to be like most people dissolve these apparent conflicts It can assist you in making your financial dreams come true while shedding light on an entirely new way of looking at understanding and appreciating the true nature of Earthly profits and heavenly wealth If you read and apply the principles and methodologies that are laid out in these pages your relationship with and ability to master your spiritual wealth and material finances as well as other vital areas of your life will undergo an amazing transformation
