TRIMESTER UPDATE: Report Cards

Report Card Academic Standards: Reviewing the report card documents & information from the district will be VERY helpful in interpreting your child's report card. **"Meets"** means that the student does that standard **INDEPENDENTLY** and **CONSISTENTLY**. **"Developing"** means that the student sometimes demonstrates this skill independently, - completely on their own without help - but sometimes requires assistance. This is a very normal place to be and it means that your child is developing toward meeting the standard consistently! This is an area where your child can keep practicing, but is by no means a bad thing! **"Does not meet"** means that the student does not independently demonstrate the skill **at this time**. (Growth mindset! ☺)

Report Card Student Skills: Reviewing the rubric for student skills will be very helpful as well. **"Regularly"** means that they do this skill independently and consistently. **"Occasionally"** means they demonstrate the skill sometimes, but sometimes require assistance or reminders. **"Not at this time"** means that they are not currently demonstrating this skill on their own.

Report Card Comments: For your knowledge, each student was given a goal in the report card comments, as per the district policy, as well as in the interest of having a growth mindset and always continuing to grow and improve! ☺
