

A woman in a white long-sleeved top and denim shorts is walking away from the camera on a sandy beach. She is holding a large, wide-brimmed straw hat over her head with both hands. In the background, a group of five people are walking away from the camera towards the ocean. The sky is overcast and the water is calm.

Remember Last Summer

Administration of the Internal Security
Act and Other Internal Security Laws**

This Last Summer English Edition:

The Last Summer of Reason Tahar Djaout, 2007-09-01 This elegant haunting novel takes us deep into the world of bookstore owner Boualem Yekker. He lives in a country being overtaken by the Vigilant Brothers, a radically conservative party that seeks to control every element of life according to the laws of their stringent moral theology: no work of beauty created by human hands should rival the wonders of their god. Once treasured art and literature are now despised. Silently holding his ground, Boualem withstands the new regime using the shop and his personal history as weapons against puritanical forces. Readers are taken into the lush depths of the bookseller's dreams, the memories of his now empty family life, his passion for literature, then yanked back into the terror and drudgery of his daily routine by the vandalism, assaults, and death warrants that afflict him. From renowned Algerian author Tahar Djaout, we inherit a brutal and startling story that reveals how far an ordinary human being will go to maintain hope.

The Christian Repository, 1855 Issues for 1856-1857 include a section called Family Visitation conducted by Mrs. S. R. Ford.

Klingsor's Last Summer Hermann Hesse, 1970-01-01 In 1920 Hesse published Klingsor's letzter Sommer. Klingsor's Last Summer, a vibrant novella that stands as one of his most passionate and colorful works. Set against the backdrop of Switzerland's postwar neutrality, this novella channels the era's frenetic escapism. Published by S. Fischer Verlag, it depicts an aging painter's desperate creativity in the shadow of influenza pandemics and economic collapse. Klingsor's hedonistic pursuit of beauty, vividly rendered in expressionist prose, mirrors the Weimar Republic's cabaret culture and its flight from collective trauma. Hesse's own retreat to Ticino, away from Germany's turmoil, infuses the narrative with exile's dual liberation and isolation. The book was released by S. Fischer in Berlin, rounding out what one might consider a trilogy of significant post-war Hesse publications: *Demian* in 1919, *Klingsor and Wandering* in 1920, followed by *Siddhartha* in 1922. Klingsor's Last Summer is a story suffused with intensity; it chronicles the final summer in the life of a fictional 42-year-old expressionist painter named Klingsor, who, sensing that death might be near, or at least the death of his youthful creative energy, throws himself into a feverish season of painting, loving, and living to the fullest. The character Klingsor can be seen as a composite of Hesse himself and some of his painter friends. Hesse had taken up watercolor painting around that time and befriended artists like Louis Moilliet. The novella has a strong autobiographical undercurrent. Hesse was also 42 when he wrote it, and he was in the throes of change: he'd separated from his wife and was living in the southern Swiss village of Montagnola, painting landscapes and exploring a more bohemian existence. The last summer signifies a burst of creative freedom and sensual indulgence before a turning point. Klingsor's Last Summer was very well received in the German literary world. It solidified Hesse's reputation as a writer who could channel the zeitgeist of the 1920s, the hunger for life after the dark war years, and the expressionist ethos of emotional intensity. This new edition features a fresh contemporary translation of Hesse's classic work, making his philosophical, existentialist literature accessible to modern readers from the original Fraktur manuscripts. Enhanced by an illuminating Afterword focused on Hesse's personal and

intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings his version of Jungian Psychological concepts and a detailed chronology of his life and major works this robust edition introduces the reader to the brilliance of his literature in context It not only captures the depth and nuance of Hesse s thought but also highlights its enduring impact on the debates of the mid 20th century contemporary culture and Western Philosophy across the 20th and into the 21st century
