A serene sunset scene over a calm body of water. The sky is a gradient of warm colors, from deep orange near the horizon to a lighter, hazy yellow at the top. The sun is just below the horizon, creating a bright, glowing effect. In the foreground, the dark, silhouetted shapes of rocks or cliffs are visible against the water and sky. The water reflects the colors of the sunset, creating a shimmering effect.

Solitude is about actively engaging with space; it's a voluntary commitment to self. It's about listening to your thoughts and trying to see with greater clarity. Solitude is a deepening connection with nature, finding belonging within the four walls of your own skin.
