

### 3 Things I Would Want to Change About Myself

Be more sympathetic, listen when I'm at my worst and drop my attitude I apparently have. Be more dedicated, focused in whatever I do, stop being irritable or turning things around; just do it, the earlier, the better. Chill more often and realize it is okay to have fun; it is okay to focus on my contentment. Life is short, we have a lot of responsibilities, but we might as well do them with a smile on our face I believe everything will go better, if you truly unwind every now and then.

The first thing I would like to change about myself is to be more sympathetic towards people whenever I am in a bad mood. Just like today, when I've got a lot of stuff on my mind, I can get angry easily. The slightest thing can make me mad at someone and just turn quiet. I shouldn't do that, no matter how hard the thing I'm going through is. I have to stay serene and calm, worrying isn't going to help. Another thing I would like to change about myself is to be more devoted, alert in anything I do, stop complaining and just do it.

I have a terrible habit of procrastinating; I can go on for days trying to avoid completing a task thinking of ridiculous and bogus reasons not to do it. When I finally have to buckle down and get the task done I start to get annoyed and I start whining. I need to learn that that isn't going to help at all. The last thing I would like to change about myself is to be more relaxed about life and to wake up and smell the roses. It is okay to have fun and focus on your happiness. Sometimes I get so caught up in everything and I forget that I need to focus on what makes me happy.

Life is way too short to be stressed out all the time. If I am going to fulfill my responsibilities I need to learn how to do it with a smile on my face and learn that it is going to benefit me in the future. Those are the three things I would like to change about myself. There are plenty more things I would love to change but these are more realistic. I'm working on reinventing myself, every day I have to remind myself to be nice, stop complaining, and chill and I'm getting better and better each day and hopefully by accomplishing these goals I will be the person I strive to be.
