Hänsel and Gretel

there was once a forest
 on the side of the sun
 and the moon is a weak oil-lamp
 and at night a hundred small candles burn
 the next morning the young children
 are dropped off at the witch's house
 and they cry until the evening
 after five, after work
 the step-mommies and –daddies come and fetch them
 with an iron-seen
 the latest model blows smoke
 and speeds over the tar-nivers
 to cellant parking
 they are then hoisted up
 are bathed and fed in a cage
 they then have to go and sleep
 one night hänsel and gretel
 ran away, over the bars they climbed
 and fell to smithereens
 on the path of cement
 far from home

Thumela Poem In English:

The Aurelian Wall and the Refashioning of Imperial Rome, AD 271-855 Hendrik W. Dey, 2011-04-07 This book explores the relationship between the city of Rome and the Aurelian Wall during the six centuries following its construction in the 270s AD a period when the city changed and contracted almost beyond recognition as it evolved from imperial capital into the spiritual center of Western Christendom The Wall became the single most prominent feature in the urban landscape a dominating presence which came bodily to incarnate the political legal administrative and religious boundaries of urbs Roma even as it reshaped both the physical contours of the city as a whole and the mental geographies of Rome that prevailed at home and throughout the known world With the passage of time the circuit took on a life of its own as the embodiment of Rome's past greatness a cultural and architectural legacy that dwarfed the quotidian realities of the post imperial city as much as it shaped them *The British Controversialist and Literary Magazine*, 1872 *The Cambridge History of Medieval English Literature* David Wallace, 2002-04-25 This was the first full scale history of medieval English literature for nearly a century Thirty three distinguished contributors offer a collaborative account of literature composed or transmitted in England Wales Ireland and Scotland between the Norman conquest and the death of Henry VIII in 1547 The volume has five sections After the Norman Conquest Writing in the British Isles Institutional Productions After the Black Death and Before the Reformation It provides information on a vast range of literary texts and the conditions of their production and reception which will serve both specialists and general readers and also contains a chronology full bibliography and a detailed index This book offers an extensive and vibrant account of the medieval literatures so drastically reconfigured in Tudor England It will thus prove essential reading for scholars of the Renaissance as well as medievalists and for historians as well as literary specialists

To Win and Lose a Medieval Battle Andrew Villalon, Donald Kagay, 2017-07-03 Winner of the 2019 Brigadier General James L Collins Jr Prize In To Win and Lose a Medieval Battle N jera April 3 1367 A Pyrrhic Victory for the Black Prince L J Andrew Villalon and Donald J Kagay provide a full treatment of one of the major battles of the Hundred Years War which perhaps because it was fought in Spain is lesser known to scholars and general readers Drawing information from contemporary European chronicles and the massive documentary collections of Spanish and French archives the authors have painstakingly investigated the Iberian and European background events to N jera and have in minute detail laid out how the army of Enrique II of Castile assisted by Bertand de Guesclin and that of his half brother Pedro I of Castile assisted by Edward the Black Prince clashed at N jera on April 3 1367 Winner of the 2019 Brigadier General James L Collins Jr Prize awarded by the U S Commission on Military History for the best book on military history published in 2017 or 2018 The awarding committee praised the volume as a genuinely original scholarly contribution comprehensive balanced and insightful this 600 page magnum opus will significantly enhance our understanding of military history during a seminal period of human development See inside the book *A Companion to Medieval English Literature and Culture*,

Other Themes William Mathews,1896 **The Poems of Callimachus** Callimachus,2001 This important new verse translation of the extant works and major fragments of Callimachus includes a full Introduction covering the poet's life and times the range of his achievements and the difficulties in the way of appreciation It does not offer as other translations do a mere selection of fragments but presents them as integral parts of the poetry books in which they originally figured as these can be reconstructed in the light of modern research Each fragment is introduced in relation to what precedes and follows it enabling students and general readers for the first time ever to assess what Callimachus was like in his most important productions In addition to this introductory help the Notes take up individual points of difficulty all proper names and adjectives are explained in the Glossary and comparative tables facilitate identification of the translated fragments in the standard editions

Handbook of the American Novel of the Nineteenth Century Christine Gerhardt,2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth century American novel in the light of current debates theoretical concepts and critical methodologies The volume turns to the nineteenth century as a formative era in American literary history a time that saw both the rise of the novel as a genre and the emergence of an independent confident American culture A broad range of concise essays by European and American scholars demonstrates how some of America's most well known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion Part I consists of 7 systematic essays on key historical and critical frameworks including debates about race and citizenship transnationalism environmentalism and print culture as well as sentimentalism romance and the gothic realism and naturalism Part II provides 22 essays on individual novels each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory

Conflict in Fourteenth-Century Iberia Donald J. Kagay,L.J. Andrew Villalon,2021-06-17 In *Conflict in Fourteenth Century Iberia* Kagay and Villalon trace the complicated economic military political and social background of the relationship of Iberia's two greatest Christian states of the fourteenth century Castile and the Crown of Aragon and their rulers Pedro I r 1350 1366 69 and Pere III r 1336 1387 Besides chapters discussing the War of the Two Pedros 1356 1366 and the Castilian Civil War 1366 1369 the authors provide extended treatments of the strategical and tactical elements of the conflicts the parliamentary diplomatic and governmental developments that occurred because of the conflicts as well as their social and political aftermaths This work along with authors earlier book on the battle of Nájera 1367 provides a much needed review of Iberia's violent fourteenth century

Between Hebrew and Arabic Poetry Yosef Tobi,2010-07-14 The book includes sixteen studies about medieval Hebrew poetry compared with Arabic poetry It is well known that since the tenth century medieval Hebrew poets took Arabic poetry as the ultimate paradigm in terms of prosody language purism and rhetorical devices and even in regard to poetical genres However the concept unifying all studies in this book is that a comparative examination must consider not only the identical

elements in which Hebrew poetry borrowed from the Arabic one but also what is much more significant what Hebrew poetry stubbornly set itself at a distance from Arabic poetry The conclusive result of this sort of examination is that Hebrew poetry combined selectively borrowed Arabic poetical values with traditional ethical Jewish values to create a distinctive poetical school

Contemplating Shostakovich: Life, Music and Film Andrew Kirkman, 2016-05-13 *Contemplating Shostakovich* marks an important new stage in the understanding of Shostakovich and his working environment Each chapter covers aspects of the composer's output in the context of his life and cultural milieu The contributions uncover outside stimuli behind Shostakovich's works allowing the reader to perceive the motivations behind his artistic choices at the same time the nature of those choices offers insights into the workings of the larger world cultural social political that he inhabited Thus his often ostensibly quirky choices are revealed as responses by turns sentimental moving sardonic and angry to the particular conditions with all their absurdities and contradictions that he had to negotiate Here we see the composer emerging from the role of tortured loner of older narratives into that of the gregarious and engaged member of his society that for better and worse characterized the everyday reality of his life This invaluable collection offers remarkable new insight in both depth and range into the nature of Shostakovich's working circumstances and of his response to them The collection contains the seeds for a wide range of new directions in the study of Shostakovich's works and the larger contexts of their creation and reception
