Thunder And Ashes:

Thunder and Ashes (the Morningstar Strain) Z. A. Recht, 2008-04 A lot can change in three months wars can be decided nations can be forged or entire species can be brought to the brink of annihilation The Morningstar Virus an incredibly virulent disease has swept the face of the planet infecting billions Its hosts rampage attacking anything that remains uninfected Even death can't stop the virus which reanimates its victims as cannibalistic shamblers Scattered across the world embattled groups have persevered For some surviving is the pinnacle of achievement Others hoard goods and weapons And still others leverage power over the remnants of humanity in the form of a mysterious cure for Morningstar Francis Sherman and Anna Demilio want only a vaccine but to find it they must cross a countryside in ruins dodging not only the infected but also the lawless living The bulk of the storm has passed over the world leaving echoing thunder and softly drifting ashes But for the survivors the peril remains and the search for a cure is just beginning *The Midland Naturalist*, 1884 **Healers** Brad Munson, Z.A. Recht, 2016-09-20 Civilization on Earth has collapsed in the wake of the most virulent epidemic ever known 95% of the population has died or been transformed into zombies and petty tyrants vie for control of the remaining resources Twelve months after the outbreak a message is sent out by the U S President who has been quartered in a secure location that a vaccine has been developed Is it true Or is it a ploy **Nico Drellin** Lenin Dev, 2025-07-02 He Was Chosen Now He Must Rise from the Ashes In a world where powerful magic controls not only fate but death itself the annual Convergence Games are a showdown of elemental prowess hidden agendas and ancient bloodlines Held once a generation under the oppressive gaze of the High Circle this lethal showdown brings together the greatest young mages from the academy's elite houses But this year something unimaginable happens The Chalice of Convergence rejects the expected champions and instead summons Nico Drellin a seventeen year old orphan with no powerful ancestry no academy submission and a past shrouded in ashes Haunted by strange dreams and marked by a burning sigil Nico finds himself at the center of a conspiracy that traces back to the greatest assassins in history the Nocturne Pact and a force that could destroy the very soul of magic As the Games commence Nico must navigate a labyrinth of danger face elemental dragons nightmare creatures and the power hungry masters who will stop at nothing to control him His allies a water bending mystic a thunder witch a curse marked warlock and a blind exiled assassin become his greatest hope or his downfall Betrayed by those he trusted and pursued by a High Circle enforcer Nico finds refuge in the hidden underworld confronts the legacy of his ancestors and ignites a showdown that will shatter the heavens and illuminate a hidden path forward Because when the ashes clear a king may rise or a monster depending on the choices Nico makes Enter a world of elemental magic hidden bloodlines and cinematic battles A story of sacrifice revenge and the power within us all If you love Harry Potter Throne of Glass or Legends of the Grishaverse this dark action filled fantasy will keep you turning pages late into the night **Popular Lectures on Science and Art** Dionysius Lardner, 1850 *Masters of Animals* Anne Chapman, 1992 Anthropologist and filmmaker

Klaunberg, Félix Martí-Ibáñez, 1870 *Bestial* William D. Carl, 2008-06 Beneath the dim light of a full moon the population of Cincinnati mutates into huge snarling monsters that devour everyone they see acting upon their most base and bestial desires Planes fall from the sky Highways are clogged with abandoned cars and buildings explode and topple The city burns Only four people are immune to the metamorphosis a smooth talking thief who maintains the code of the Old West an African American bank teller who has struggled her entire life to emerge unscathed from the ghetto a wealthy middle aged housewife who finds everything she once believed to be a lie and a teen aged runaway turning tricks for food Somehow these survivors must discover what caused this apocalypse and stop it from spreading In their way is not only a city of beasts at night but in the daylight hours the same monsters returned to human form many driven insane by atrocities committed against friends and families during Now another night is fast approaching And once again the moon will be full
