something worked I often forgot the keystroke to do it So I created simple step by step keystroke sequences for most commands and calculations which makes it so easy to look them up and instantly be able to do it with no need to read through a long text After I graduated I developed an app that teaches how to use the TI 84 Plus CE My app is helping a lot of students use their calculators and is frequently ranked in the Top 10 Education USA on iOS and Android Visit <http://www.ti84calculator.com/manualCE> for more information
