

4 Using Your Headset System with Microsoft Office Communicator

 *For your safety, do not use headset at high volumes for extended periods of time. Doing so can cause hearing loss. Always listen at moderate levels. For more information on headsets and hearing visit: www.plantronics.com/healthandsafety.*

Powering Headset On/Off

The headset will be ready to use once it has been charged in the charger base as described in [Section 2.5, Docking and Charging the Headset](#).

To conserve power you may optionally power the headset off, by pressing and holding the call control button for six seconds. The headset indicator light will be lit red for four seconds to confirm that the headset is powered off. Note once powered off you will not be able to use the headset.

To power the headset back on press and hold the call control button for four seconds when the headset indicator will light blue for two seconds, then flash red a number of times to indicate the remaining battery charge (see [Checking the Battery Level](#)).

Placing, Answering, and Ending Calls with Microsoft Office Communicator

To place a call	Dial number using Microsoft Office Communicator*
To answer a call on the headset	Short press call control button on headset
To answer a call when already on an active call on your mobile phone	Short press the call control button once to end the mobile phone call then press again to answer your Microsoft Office Communicator call
To end a call on the headset	Short press call control button on headset

*Consult Microsoft Office Communicator Help for more information on how to place a call.

NOTE You can also answer calls directly from Microsoft Office Communicator by clicking on the Call Alert that appears on your PC screen. In this case the call will be directed to the default speakerphone which may not be your headset. Consult Microsoft Office Communicator Help for more information.
