Thirteen Seconds Confrontation At Kent State:

Thirteen Seconds: Confrontation at Kent State Eszterhas, Joe, Roberts, Michael D., 2012-07-20 The dramatic and eye opening original account of events that shook the nation At noon on May 4 1970 a thirteen second burst of gunfire transformed the campus of Kent State University into a national nightmare National Guard bullets killed four students and wounded nine By nightfall the campus was evacuated and the school was closed A generation of college students said they had lost all hope for the System and the future Yet Kent State was not a radical university like Berkeley Columbia or Harvard Although a new mood had been growing among the students in recent years the school was not known for political activity or demonstrations In fact exactly one week before students had held their traditional spring is here mudfight What most alarmed Americans was the knowledge that if this tragedy could occur at Kent State on a campus made up of the children of the Silent Majority and in the heart of Middle America it could happen anywhere But why how did it happen that young Americans in battle helmets gas masks and combat boots confronted other young Americans wearing bell bottom trousers flowered shirts and shoulder length hair What were the issues and why did the confrontation escalate so terribly Would there be future confrontations like the one of May 4 To answer these questions prize winning reporters Eszterhas and Roberts who were on campus on May 4 spent weeks interviewing all the participants in the tragedy They traveled to victims homes and talked to relatives and friends they spoke to National Guardsmen on the firing line and to students who were fired on By putting together hundreds of first person accounts they were able to establish for the first time what actually took place on the day of the shooting

Thirteen Seconds Joe Eszterhas, Michael D. Roberts, 2012 *Kent State: An American Tragedy* Brian VanDeMark, 2024-08-13 Longlisted for the 2024 National Book Critics Circle Award for Nonfiction A Kirkus Reviews and New Yorker Best Book of 2024 A definitive history of the fatal clash between Vietnam War protestors and the National Guard illuminating its causes and lasting consequences On May 4 1970 at Kent State University in Ohio political fires that had been burning across America during the 1960s exploded Antiwar protesters wearing bell bottom jeans and long hair hurled taunts and rocks at another group of young Americans National Guardsmen sporting gas masks and rifles At half past noon violence unfolded with chaotic speed as guardsmen many of whom had joined the Guard to escape the draft opened fire on the students Two reductive narratives ensued one that lethal state violence targeted Americans who spoke their minds the other that law enforcement gave troublemakers the comeuppance they deserved For over fifty years little middle ground has been found due to incomplete and sometimes contradictory evidence Kent State meticulously re creates the divided cultural landscape of America during the Vietnam War and heightened popular anxieties around the country On college campuses teach ins sit down strikes and demonstrations exposed the growing rift between the left and the right Many students opposed the war as unnecessary and unjust and were uneasy over poor and working class kids drafted and sent to Vietnam in their place Some developed a hatred for the military the police and everything associated with authority while others resolved to

uphold law and order at any cost Focusing on the thirteen victims of the Kent State shooting and a painstaking reconstruction of the days surrounding it historian Brian VanDeMark draws on crucial new research and interviews including for the first time the perspective of guardsmen who were there The result is a complete reckoning with the tragedy that marked the end of the sixties The Deadline: Essays Jill Lepore, 2023-08-29 Jill Lepore is unquestionably one of America's best historians it's fair to say she's one of its best writers too Jonathan Russell Clark Los Angeles Times Best Books of 2023 New Yorker TIME A book to be read and kept for posterity The Deadline is the art of the essay at its best Few if any historians have brought such insight wisdom and empathy to public discourse as Jill Lepore Arriving at The New Yorker in 2005 Lepore with her panoptical range and razor sharp style brought a transporting freshness and a literary vivacity to everything from profiles of long dead writers to urgent constitutional analysis to an unsparing scrutiny of the woeful affairs of the nation itself The astonishing essays collected in The Deadline offer a prismatic portrait of Americans techno utopianism frantic fractiousness and unprecedented but armed aimlessness From lockdowns and race commissions to Bratz dolls and bicycles to the losses that haunt Lepore's life these essays again and again cross what she calls the deadline the river of time that divides the quick from the dead Echoing Gore Vidal's United States in its massive intellectual erudition The Deadline with its remarkable juxtaposition of the political and the personal challenges the very nature of the essay and of history itself

Hot Type, Cold Beer and Bad News Michael D. Roberts, 2018-11-01 The 1960s were the most turbulent era in Cleveland history and an exciting time to be a newspaper reporter This memoir takes you back to the tumult It's an eyewitness account by a veteran journalist who as an ambitious young reporter covered the major events of the day civil rights violence corruption and crime Vietnam Kent State and more Cleveland was already changing by the beginning of the 1960s Racial unrest migration to the suburbs and the decline of its once mighty industrial base reshaped the city's politics and population Cleveland found itself at the forefront of social upheaval that would sweep the nation and alter America In those days a journalist could find a story that reflected the times down the street or around the world Reporting for the Plain Dealer Michael D Roberts covered a decade of destruction death and dissension from the riots on Cleveland's East Side to the Tet Offensive in Vietnam the aftermath of the Six Day War in the Middle East and the tragedy of the Kent State shootings There were enlightened moments too For a good part of that decade the eyes of the nation were on Cleveland watching whether it would elect the first African American mayor of a major American city It did in Carl B Stokes It was also the last golden hour of print newspapers although they didn't know it yet Technology had not yet altered the business All a journalist needed was a pen a notebook a typewriter a pay phone and a pocketful of change Television was only just beginning to make a serious impact on news reporting Newspapers were a unifying force in communities a friendly visitor that arrived on your doorstep every day But by decade's end the spirit of revolt would come to haunt the newspaper and pluck both the verve and the soul from it For a reporter in search of a big story though bad times were also the best of times This is the way it was
