Losing Neverland Evelyn Montgomery, All is not as it seems in Neverland. As for Peter Hook, I know the secret most don't. The real truth behind the myth. The hidden wonder you've never known. Disguised as the notorious legend, I know the nightmare that brings Hook to his knees. The inescapable reality. Peter Pan, one day, couldn't fly away from all you've ever been told is a lie. A hoax. A pixie trick. I know the truth because I'm their ruin. I'm their demise. I'm the end of what was the beginning of what's to come. My name is Wendy. Moira Angela Darling. I'm the reason for losing Neverland.

Speak No Secrets E.R. Whyte, 2022-11-22 Shiloh Brookings has a dirty little secret. When I find my best friend's sister is a dancer in a gentlemen's club, I'm stunned. Despite anything between us being forbidden, I can't walk away. I've been obsessed with Shiloh since I was a kid, and I refuse to let her go now that I have her in my sights. So I watch her every day and every night. When I discover the deadly stalker hunting our small town, is also watching her, my resolve is even stronger. Shiloh Brookings will be mine, no matter the cost.

WARNING: First in a dark New Adult DUET featuring stalking, stripping, and serial killing, this book contains mature content including a taboo attraction between adults. The following book, **Tell No Lies**, contains surprising twists and a satisfying HEA.

He Could Not Contain Her: Kathleen McCartan, 2014-09-23 First and foremost, this book gives you a glimpse into one creative, some say genius, bipolar mind which I have had for a little over twelve years. Beyond that, using a Sacred Feminine, Holy Spirit, Breath and Wind of God perspective, as well as an educational creative perspective and a Course in Miracles perspective, I attempt to create a total world reversal of thought on all issues related to the world, humans, why we're here, and what's to come of us. This book reverses so-called normal human thinking about almost everything, including what is life and what is death, what

the real story of Lucifer and Mary Magdalene John the Baptist and Jesus really is and what the actual laws of the universe really are what's actually normal and abnormal the answer will surprise you what humans are actually like as a species what the current state of our world actually is and what humans mean to Christ John the Baptist Christ Alter Ego Christ in reality and in the great scheme of things It will be no surprise that I determine that to save the world and yes it can be done love is the only question and love is the only answer The only problem is that most people on Earth aren't really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if it's even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events
