Olivia Ruin, This is the third story with these characters It may be read as a standalone but look for Stress Treatment and Home Treatment for the first two stories Stacy Taylor has been turned into a lesbian by her younger good looking physician Dr Kara Burnett Now the powerful businesswoman has begged her good doctor to show her the ropes and dominate her completely The doctor grants her wishes and spends the night showing Stacy what exactly she keeps in her big black bondage bag Warning This erotic short story contains scenes of very explicit lesbian bondage sex including ropes clamps and many other accessories Only for consumption by readers 18 These scenes are undertaken by fictional characters please do not attempt to replicate scenes at home Excerpt The blonde straightened back up but Stacy had been concentrating all of her attention on the sight in front of her and didn't see what was pulled out of the bag That sexy derriere walked around her and out of sight and Kara's voice sounded over her shoulder The first step I think will be to tie you up a little Just a bit for now although I will definitely be treating you to more and more rope as time goes on and you become more comfortable with things Soft hair tickled the submissive woman's back as the doctor knelt down directly behind her and grabbed her hands In seemingly no time the experienced domme had secured Stacy's hands together behind her back with a few practiced motions with the rope It felt smooth and soft on her skin a high quality rope that in all likelihood had been designed precisely for this purpose Even though she had no intent to escape Stacy felt the need to strain against the bonds to test them no matter how she struggled she couldn't get the rope to budge It may be deceptively soft but it was tied with an expert's hand and it wasn't going anywhere And now I'm completely at her mercy Damn that's hot Her new mistress appeared in front of her again but only to grab the bag and drag the whole thing out of sight somewhere behind her There would be no ability to see what was coming and prepare everything would be a surprise **Secretary's Submission: Lesbian Erotica BDSM!**
