Vegas Kim Thomas, 2005 Cam Madden had a good job and a carefree bachelor lifestyle when he impulsively tried out for the police academy of the Las Vegas Metropolitan Police Department Now that he's mastered the theories of law enforcement in the academy his education in its realities begins with field training and an ugly suicide call Learning the lessons of the street leaves scars on Cam's ego and more on his body but it's even tougher on his relationships with women It doesn't matter until he falls for Karrie May a paramedic whereupon making it work becomes all important One Cop's Journey is in a sense every cop's journey the story of finding his own place in a company of heroes even if that company contains a disturbing proportion of bureaucrats office politicians and layabouts Somehow the finest and the flawed manage to work together well enough to keep the barbarians at bay Every Day

Last Call John Paul Bordach, 2012-03-19 With many of his earliest memories centered around the enjoyment of good food and strong drink John Bordach's successful 30 year career in the hospitality industry was in some ways preordained Whether waiting tables in high end establishments

managing one of the first sushi restaurants in the region or cooking for large crowds the creation presentation and pleasure of a fine meal enhanced with the perfect liquid accompaniment was Bordach's greatest ambition It was also almost his death Relating tales both comic and tragic Bordach takes us through his journey of alcohol addiction with a self deprecating humor that belies the poignancy of his story Coming of age during the 1970s in Detroit's downriver suburbs yet deeply influenced by the woods and waters of northern Michigan Bordach spans a wide ranging landscape of love friendship and work colored with the emotional despair and physical destruction of addiction Both a cautionary tale and a hopeful ode to recovery Last Call reminds us that addiction can happen to anyone When the ingredients in an addict's bowl of life outer directed blame indifference denial and guilt combine to create a toxic meal only new ingredients inner reflection faith and hard work can provide the nourishment for recovery Encompass Jay Hope,2015-06-26 Bryce named Hollywood by his fellow SEALS was one of three original melds of the GES Project Since another of the three went missing he's been an outsider believing the search was abandoned too easily But now that the bonded males of the team face the kidnapping of their bonded mates his brothers need him more than ever And after his encounter with the sexy biker bar owner Shay could it be that Bryce would turn to his fellow SEALS for help Harvest of Tears Jess Martinez,2014-12-12 HARVEST OF TEARS is a story of the lives of migrant farm workers in the cotton fields and labor camps of Corcoran California The reasons for writing this book are threefold first the author wanted to illustrate the difficulties of living in the labor camps of the San Joaquin Valley in the 1950s secondly the author wanted the reader to know that despite hardships people can overcome poverty intolerance and indifference and they can still succeed The third reason is to show that hard work during the formative years is not a bad thing and that it builds character and instills the work ethic in the person regardless of your social status or ethnicity

Chamlee,2022-08-01 When Adam and Eve sinned in the garden it changed everything from the way God intended for it to be Romans 5:12 God's desire from day one in the beginning was to have fellowship with man kind With that being said many has

asked why didn't God stop sin before it happened? If God had created us that way we would have been no different than the angels. We would not understand the true meaning of the love of God. God gave man the ability to make his own choice to love God back and want to have fellowship with Him. But the human race in our hearts wants to follow our own lust to do to have and to seek after the things of the world instead of the things of God. We cannot do God's will without having Jesus in our hearts for it is the love of God through Christ that changes a man's heart. Stop to think for a second how such a God that has created the earth, the moon, the stars, and everything in all the universe would want to have fellowship with us. Out of all His creations mankind means the most to Him. We meant so much that He sent his son Jesus to be born in flesh itself to face hatred, sufferings, and pain like we do that we could learn of His true love toward mankind. Romans 5:8 Man's sin has brought all the sufferings on this earth that we face today. But God gave us His Son Jesus to be for us the doorway to find peace that only God can give and the way back to God Himself. Romans 5:1-2

Overruled Emma Chase, 2015-04-28 Emma Chase New York Times bestselling author of the Tangled series returns with the first installment of the Legal Briefs series. A Washington DC defense attorney Stanton Shaw keeps his head cool, his questions sharp, and his arguments irrefutable. They don't call him the Jury Charmer for nothing with his southern drawl, disarming smile, and captivating green eyes, he's a hard man to say no to. Men want to be him and women want to be thoroughly cross-examined by him. Stanton's a man with a plan. And for a while life was going according to that plan. Until the day he receives an invitation to the wedding of his high school sweetheart, the mother of his beloved ten-year-old daughter Jenny is getting married to someone who isn't him. That's definitely not part of the plan. Sofia Santos is a city-raised no-nonsense litigator who plans to become the most revered criminal defense attorney in the country. She doesn't have time for relationships or distractions. But when Stanton, her friend with mind-blowing benefits, begs her for help, she finds herself out of her element, out of her depth, and obviously out of her mind. Because she agrees to go with him to The Middle of Nowhere, Mississippi, to do all she can to help Stanton win back the woman he loves. Her head tells her she's crazy, and her heart says something else entirely. What happens when you mix a one-stop light town, two professional arguers, a homecoming queen, four big brothers, some Jimmy Dean sausage, and a gun-toting Nana? The Bourbon flows, passions rise, and even the best-laid plans get overruled by the desires of the heart.

The Shimmer David Morrell, 2011-09-16 Since 1889, mysterious lights have appeared outside Rostov, a remote Texas town. Ranchers believed them to be the campfires of rustlers, but campfires don't rise and fall, merge and change colors. In World War I, the locals believed that the lights came from German forces massing on the Mexican border. In the Second World War, the US military built an airfield there and used planes to try to discover the secret of the lights. In 1980, the entire town set out on a Ghost Light Hunt. For more than a century, each attempt to get close to the lights met with horrifying results. Now police officer Dan Page follows the trail of his missing wife from New Mexico to Texas and discovers that she and hundreds of spectators have become enraptured by the lights. After a crazed gunman fires obsessively into the crowd, the stage is set for more death. To

save his wife Page must confront the mystery of the lights His desperate search reveals a government conspiracy that dates back to World War II The abandoned airfield is more than what it seems So is a nearby observatory with a purpose even more mysterious and lethal than the lights themselves Drawing his inspiration from the real life Marfa lights critically acclaimed Morrell packs *The Shimmer* with his trademark blend of action and terror *The TMJ Trifecta: Solving Your Pain Puzzle* Dr. McHenry "Mac" Lee, Jonathan Fashbaugh, 2025-05-06 These symptoms may point to TMJ disorder a condition that affects millions but is frequently misunderstood overlooked or treated with ineffective solutions Many patients are misdiagnosed stuck in cycles of failed appliances or told surgery is the only option only to find themselves worse off than before The TMJ Trifecta cuts through the confusion Written by veteran TMJ dentist Dr McHenry Mac Lee who has treated thousands of patients worldwide and dental writer Jonathan Fashbaugh this book breaks down what s really happening in your jaw and why it affects the entire body Inside you ll find How the jaw head neck and posture are interconnected home steps you can take right away to ease discomfort Why TMJ disorder is often confused with migraines fibromyalgia and other chronic conditions A candid look at dental appliances failed treatments and the realities of surgery Guidance on choosing the right kind of provider for long term relief Dr Lee brings over five decades of experience service on international boards and appearances on national media to share what works and what doesn t for TMJ care His patient centered approach has helped countless people finally reclaim their health If you re tired of living with unanswered questions and persistent pain this book gives you the clarity and direction you ve been waiting for The TMJ Trifecta is more than information it s a roadmap to lasting relief *Crooked Lake* Nelson Brunanski, 2006 Congressional Record United States.
