While We Were Watching Downton Abbey Wendy Wax:

While We Were Watching Downton Abbey Wendy Wax, 2013-12-31 When the concierge of The Alexander a historic Atlanta apartment building invites his fellow residents to join him for weekly screenings of Downton Abbey four very different people find themselves connecting with the addictive drama and even more unexpectedly with each other Cover flap the move Aitor Ibarrola-Armendariz, Jon Ortiz de Urbina Arruabarrena, 2016-07-29 This volume brings together a selection of the papers and round tables delivered at the 39th AEDEAN Conference held at the University of Deusto in November 2015 The essays in On the Move Glancing Backwards to Build a Future in English Studies often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools In all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies The book opens with three essays by professors Bartholomae Pullum and R o who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences. The next two sections represent the main body of the e book with nearly forty contributions on both literature and cultural studies Part II and language and linguistics Part III These short academic pieces are a representative showcase of the research being done lately in the different areas of expertise The last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by Anglo writers about the Spanish Civil War It is hard to think of any potential reader schooled in English Studies who will not find something suitable to their interests and tastes in this volume It Comes in Waves Erika Marks, 2014-07-01 For competitive surfer Claire Pepper Patton the waves of South Carolina's Folly Beach once held the promise of a loving future and a bright career until her fiance Foster broke the news that he and Claire's best friend Jill were in love Eighteen years later now forty two and a struggling single parent to a rebellious teenage daughter Claire has put miles between that betrayal and that coast But when ESPN invites her back to Folly Beach for a documentary on women in surfing Claire decides it might be the chance she needs to regain control of her life and reacquaint herself with the unsinkable young woman she once was But not everything in Folly Beach is as Claire remembers it most especially her ex best friend Jill who is now widowed and raising her and Foster's teenage son An unexpected reunion with Claire will uncover a guilt that Jill has worked hard to bury and bring to the surface years of unspoken blame When Claire crosses paths with a sexy pro surfer who is as determined to get Claire back on a board as he is to get her in his bed a chance for healing might not be far behind or is it too late for two estranged friends to find forgiveness in the place that was once their coastal paradise where life was spent barefoot and love was as dizzying as the perfect wave
