

Leadership Proctored ATI Study Guide

Leadership Styles

- **Authoritarian/Autocratic**
 - Decisions made with little input from the team, leader dictates instructions
 - Leads to mistrust and high turn-over
 - This style may be useful in emergency situations
- **Laissez-Faire**
 - **Hands off approach**
 - Leader allows team to make decisions for themselves with no direction
 - Leads to low productivity and frustration
 - **Laissez Faire=Lazy**
- **Democratic**
 - Leader and team work together towards goals and outcomes
 - Promotes group satisfaction, but may slow decision making
- **Transactional**
 - Focused on current work completion, **rewards for finishing tasks**, and consequences for delayed tasks
 - May lack big picture thought
- **Transformational**
 - Promotes teamwork and shared decision making
 - Leader is respected and trustworthy
 - **Ideal Style**

Acute vs. Chronic

- New onset symptoms take priority over symptoms associated with a chronic illness.
- Example
 - A patient with a long bone fracture with sudden onset of chest pain and dyspnea takes priority over a COPD patient with an SpO2 of 89% (common for this disorder)
- Common words that represent **Acute**
 - **New Onset, Sudden**

Unexpected vs. Expected

- Unexpected findings take priority over S/S that are expected for a patient's diagnosis
- Example
 - A diabetic patient with a blood sugar reading of 40 mg/dL takes priority over a patient with appendicitis complaining of RLQ pain (expected with this diagnosis)

Restrictive/Invasive Procedures

- Begin with the least restrictive or invasive interventions
 - Example 1
 - For a confused patient at risk for falls, provide a sitter (non-restrictive) instead of applying restraints (restrictive)
 - Example 2
 - For a patient having difficulty urinating, try pouring warm water over the perineum (non-invasive) before inserting a urinary catheter (invasive)

Attner,1985 Learning-Centred Leadership in Higher Education Ralf St. Clair,2020-05-14 This book explores the implications of focusing learning in university leadership

While a range of external and internal factors push contemporary higher education leaders towards a reactive and transactional style the author argues that placing learning at the centre of the decision making process ultimately grounds higher education leadership in values Illustrated by numerous case studies and informed by Peter Senge s theory of learning the author examines this central thesis across a variety of areas and functions of higher education that are vital to the development and success of this shared endeavour This book will be of interest and value to both new and established university leaders as well as scholars of leadership in higher education more generally *Wiley CMA Exam Review 2022 Study Guide Part 2* Wiley,2021-11-16 Prepare for success on part 2 of the 2022 CMA exam with this authoritative study guide The Wiley CMA Exam Review 2022 Part 2 Study Guide Strategic Financial Management is a comprehensive and accurate handbook designed to help you identify and master each of the competencies covered by the second part of the 2022 Certified Management Accountant exam It includes material on Financial Statement Analysis Corporate Finance Decision Analysis Risk Management Investment Decisions Professional Ethics Ideal for anyone preparing for the challenging CMA series of exams the Wiley CMA Exam Review 2022 Part 2 Study Guide Strategic Financial Management is also a perfect companion resource for early career management accountants seeking a refresher on foundational topics they re likely to encounter regularly at work Challenges in Higher Education Leadership James Soto Antony,Ana Mari Cauce,Donna E. Shalala,2017-01-20 In this important resource experienced higher education presidents and senior leaders come together with respected scholars to tackle the most important and timely issues facing leaders in colleges and universities today Challenges in Higher Education Leadership advances critical leadership and management skills across a broad array of topics including student learning access and affordability racism fundraising athletics and new technology Chapters strike a balance between theory and practical advice while promoting the notion that all leaders can learn lessons from one another that can be useful in their own specific contexts This book poses strategic questions readers should answer along with advice about how to effectively address today s challenges providing leaders with the skills and perspectives necessary to respond to higher education students needs **Dilemmas of Presidential Leadership** Richard Ellis,Aaron B. Wildavsky,1989-01-01 Dilemmas of Presidential Leadership challenges the widely accepted distinction between traditional and modern presidencies a dichotomy by which political science has justified excluding from its domain of inquiry all presidents preceding Franklin Roosevelt Rather than divide history into two mutually exclusive eras Richard Ellis and Aaron Wildavsky divide the world into three sorts of people egalitarians individualists and hierarchs All presidents the authors contend must manage the competition between these rival political cultures It is this commonality which lays the basis for comparing presidents across time To summarize and simplify the book addresses two general categories of presidencies The first is the president with a blend of egalitarian and individualist cultural propensities Spawned by the American revolution this anti authoritarian cultural alliance dominated American politics until it was torn asunder by what Charles Beard has called the second

American revolution the Civil War The Jeffersonian and Jacksonian presidents labored with varying degrees of success to square the exercise of authority with their own and their followers' authoritarian principles. They also were faced with intraparty conflicts that periodically flared up between egalitarian and individualist followers. The president with hierarchical cultural propensities faced different problems. While the precise contours of the dilemma varied all struggled in one way or another to reconcile their own and their party's preferences with the anti-hierarchical ethos that inhered in the society and the polity. Hierarchical presidents like Washington and Adams were hamstrung by this dilemma as were Whig leaders like Henry Clay and Daniel Webster who aspired to the presidency but never achieved it. Abraham Lincoln's greatness resided in part in his ability to resolve the hierarchy's dilemma. He operated in wartime when he could invoke the commander in chief clause and he created a new cultural combination in which hierarchy was subordinated to individualism. This suggests the author's was a key to his greatness. The unique dimension of this volume is its use of cultural theory to explain presidential behavior. It also differs from other books in that it deals with pre-modern presidents who are too often treated as only of antiquarian interest in mainstream political science literature on the presidency. The analysis lays the groundwork for a new basis for comparison of early presidents with modern presidents.

Congressional Record United States. Congress, 1978 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873.
