The Project Oversight Guide Herbert Marshall Jr.,2022-01-15 Whether you are a project manager tasked with overseeing an outsourced capital project or an owner investing in a major project critical to the future of your business you are most likely starting at a disadvantage A savvy contractor s project team is likely to be populated with project management professionals who have read an abundance of literature on how to maximize project value for themselves Unfortunately as any book search will show you there is virtually no guidance out there for how to successfully oversee a capital project from an owner s perspective In project management terms the client or owner is just a managed external stakeholder The book is intended to bridge the gap between knowing how to run a project and knowing how to oversee one Readers of the POG will find out that project oversight and project management are uniquely different disciplines Bad project oversight can make an otherwise good project fail whereas good oversight can lead a substandard project team or contractor to succeed in delivering the expected return on investment Did you know that when done right project oversight more than pays for itself By reading the POG students of project management project management professionals and owners will gain insight into all facets of the oversight of capital projects including tools and techniques organizational design best practices behaviors and processes The POG packages this information in an examples based look see at real situations and lessons learned from the field WORDS OF PRAISE and REVIEWS The Project Oversight Guide is a much needed and significant addition to project management literature Well done Robert Brese Former CIO Department of Energy The framework in The Project Oversight Guide drives project performance to a win win outcomes for owners and contractors Kelly Powers President Williams Industrial Services If you read this book it will surely improve the prospects for your capital projects ending in a more predictable and successful outcome Cliff Eubanks 36 year Oversight Senior Executive
